2. An active member in addition to those named in Article IV may at any time be admitted in the following manner. Any four or more clubs, organizations or groups of the character prescribed in sub-division 4 of Article II, desiring to form an association, may make an application therefor in writing to the Secretary-Treasurer stating:

(a) The territory which they desire included in such proposed association.

(b) The names of the clubs applying for the creation and admission of such association and whether or not they or any of them are members of an existing association of this Union.

(c) The reasons why the creation of such proposed associations is desired or desirable.

3. The application must further contain a request that upon the organization of such association it may be admitted to membership on conditions to be named by the Board of Governors of the Union.

4. If the territory proposed to be included in said association is a part of that already assigned to any existing association, such existing association shall have ten days' notice after the filing of said application before any action is taken thereon by the Board of Governors.

5. If said application shall be passed favorably by a two-thirds vote of the Board of Governors voting, the President and Secretary-Treasurer of the Union shall call a meeting of all the clubs so applying and all other clubs, members of an existing association located within the territory of such proposed association, upon not less than thirty days' notice, for the purpose of organizing such association and adopting the Constitution and By-Laws prescribed by the Union therefor.

6. Thereafter, upon the certification by the President and Secretary-Treasurer of the applying association that its organization has been completed and the Constitution and By-Laws have been adopted, said association shall be admitted to membership, said admission being granted upon the following express conditions which are a part of said act of admission:

(a) That such membership shall be subject to suspension or forfeiture in the event of failure to comply with any requirements of this Constitution or of any By-Law hereunder, or any decree or ruling of the Board of Governors or of the National Registration Committee; and that any decree of suspension or forfeiture, when affirmed by two-thirds of the Board of Governors voting, shall be final and binding.

(b) That it shall not make any amendment of its Constitution or By-Laws without first submitting the proposed amendment to the Board of Governors of this Union, and that any such amendment made without the vote of a majority of the Board of Governors shall be void.

(c) That in the event of its club membership being reduced to less than four organizations, its membership in this Union shall cease, and this Union shall be entitled to allot its surviving clubs and territory to any other active member.

2. The acceptance of active membership in this Union shall bind such member to abide by all the conditions thereof as set forth in Section 6 of Article V of this Constitution, and also all other provisions of this Constitution and of the By-Laws and Rules of this Union; and to accept and enforce all decisions of the Board of Governors and of the National Registration Committee.

3. The membership of any active member which shall violate any of the provisions of the Constitution, By-Laws or Rules of this Union, or any decision of the Board of Governors, or of the National Registration Committee, may be suspended by the Board of Governors until the next annual or special meeting of this Union, to which meeting said action of suspension shall be reported by the Secretary-Treasurer, when such suspension may be removed by a majority vote of all the active members voting, or by a two-thirds vote of all the active members voting, such active member may be expelled, and the territory thereof be reorganized or assigned to one or more members of this Union, consistently with the Constitution.

ARTICLE VII.

2. Every active member must elect annually six delegates to represent it at meetings of the Union, and such delegates must be members in good standing of clubs belonging to such member, and may also elect six alternates of such delegates, who must be members of any of its own or of any other active member's clubs, except that no member of the Board of Governors shall be elected an alternate, and in no case shall any delegate or alternate represent more than one active or allied member. All the representatives of one active member shall collectively have one vote.

3. The election of every delegate and alternate with their addresses shall be duly certified by the principal executive officer of the active or allied member to the Secretary-Treasurer of the Union at least twenty days before any meeting which he may be called upon to attend, and for failure to make such certification the delegate or his alternate may be refused his seat at such meeting.

4. Any allied or active member may at any time, on notice addressed to the Secretary-Treasurer of this Union by the principal executive officer of such member, withdraw any or all of its delegates or alternates, provided a like number of delegates or alternates be at the same time substituted for those withdrawn; and if any delegate so withdrawn be at the time a member of the Board of Governors, the Board shall fill the vacancy as provided in Article VIII.

ARTICLE VIII.

GOVERNMENT.

1. The government and general direction of the affairs of the Union shall be committed to a Board of Governors constituted as follows: One representative from each allied member and five delegates-at-large, and each ex-President of the Union who shall have served a full term and is a member in good standing of an A.A.U. club; and each ex-Secretary of the Union who shall have served a full term and is a member in good standing of an A.A.U. club; three representatives from each active member and one additional representative from each active member for every ten clubs belonging to said active member in excess of the four clubs required to constitute an active member, and one additional representative for the next fifteen clubs of like character, and one additional representative for the next twenty clubs and one additional representative for each twenty-five clubs in excess of forty-nine.

2. The Board of Governors shall be elected at each annual

meeting of the Union for a term of one year, or until their successors are elected.

3. All members of the Board of Governors shall be elected from the duly elected delegates, and alternates who are members of clubs belonging to the active member which they represent.

4. The delegates of any active member present at the annual meeting may unanimously nominate at the time of such election representatives to the number to which it is entitled. The representatives so nominated shall be declared elected unless by a two-thirds vote of all the delegates or alternates voting another selection is made. In default of such nomination election shall be had by a majority vote.

5. At all meetings of the Board of Governors the member or members present from any association shall be permitted to cast the vote of the absent member or members unless such absentee shall have revoked this power by notice to the Secretary-Treasurer. If the members present do not agree, the votes of absentees shall be divided in the same proportion as the votes of the members present.

6. The Board of Governors, so elected, shall convene immediately following the annual meeting at which they shall have been elected and elect from their own number a President, four Vice-Presidents and a Secretary-Treasurer, each of whom shall serve for a term of one year or until his successor is chosen, and each of whom shall perform the duties prescribed by the By-Laws.

7. The Board of Governors, upon the occurrence of a vacancy therein from any cause, may elect, by a majority vote of members voting, a new member of said Board, but only from the member's delegation in which the said vacancy shall have occurred. Such member so elected shall, if he continues eligible, serve until the next annual meeting thereafter.

The ex-Presidents with the ex-Secretaries of the Union shall, collectively, have one vote at all meetings of the Amateur Athletic Union and of the Board of Governors. No ex-President or ex-Secretary shall be permitted to vote as such, if he is representing at such meeting an active or allied member.

9. Whenever the Union shall be entitled to representation in an allied member, the President shall appoint such representative from among the membership of the active members of the Union.

ARTICLE X.

AMATEUR DEFINITION.

1. An amateur sportsman is one who engages in sport solely for the pleasure and physical, mental or social benefits he derives therefrom and to whom sport is nothing more than an avocation.

ACTS OF DISBARMENT.

A person shall cease to be eligible to compete as an amateur by committing any of the following acts:

(a) *Fraud*—By participating in any competition or exercise in any sport under an assumed name or by being guilty of any fraud or other grossly unsportsmanlike conduct in connection therewith.

(b) *Competing for Money*—By directly or indirectly receiving pay or financial benefits in consideration of or as a reward for participating in any sport in any public competition or exhibition or disposing of prizes for personal gain.

(c) *Coaching for Money*—By directly or indirectly receiving pay or financial benefits in consideration of or as a reward for instructing or preparing any person in or for any competition, exhibition or exercise in any sport when such act was not merely an incident to his main vocation or employment.

(d) *Capitalization of Athletic Fame*—By granting or sanctioning the use of one's name to advertise or promote the sale of or to act as the personal solicitor for the sale, or as the actual salesman, of sporting goods, prizes, trophies, or other commodities for use chiefly in or in connection with games or exhibitions in any sport, or

By engaging for pay or financial benefit in any occupation or business transaction wherein his usefulness or value arises chiefly from the publicity given or to be given to the reputation or fame which he has secured from his performances in any sport rather than from his ability to perform the usual and natural acts and duties incident to such occupation or transaction.

(e) *Competing Against or With Ineligible Persons*—

I. By participating in any public competition or exhibition as an individual and not merely as a member of a team against one or more persons ineligible to compete as an amateur in the sport in which such participation occurred, without having obtained as a condition precedent special permission to do so from the organization governing such competition or exhibition, unless

it is the general practice or custom in such sport for such character of competition or exhibition to take place.

2. By participating in any public competition or exhibition as a member of a team upon which there are one or more members who have received, do receive or who are to receive directly or indirectly, pay or financial benefits for participating, without having obtained as a condition precedent the consent in writing thus to participate from the National Registration Committee, which, in the case of a college or high school student, may, with the consent and approval of the local registration committee, delegate authority to grant such consent, to the proper faculty authority of the university, college or high school of which he is at the time of such participation a matriculated student, upon filing such consent with the National Registration Committee.

3. By participating in any public competition or exhibition as a member of a team against another team one or more members of which are ineligible to compete as amateurs in the sport in which such participation occurred, unless the team competed against represents a well-established organization and also unless the contest or exhibition is in a generally recognized sport and either between groups of players participating at one time or consists of a series of individual contests which, both as to the number and character thereof, constitute a generally recognized series of standard events.

PARDONING POWER.

The Board of Governors shall have the power to relieve a person of the effect of his commission of any of the acts by reason of which he would cease to be eligible to compete as an amateur, when it is shown to its satisfaction that such act was committed through ignorance (of the character—not consequences—thereof), inadvertence, or excusable error or was committed in a sport in which there was at the time of commission no general competition by amateurs or was made obligatory by military authority.

REINSTATEMENT TO ELIGIBILITY TO COMPETE AS AN AMATEUR.

2. (aa) One who has committed an act set down in Clause *a* of Section 1 shall never thereafter be permitted to compete as an amateur.

(bb) One who has committed an act set down in Clause *b* of Section 1 in connection with any of the sports or exercises enumerated in Article III of this Constitution shall never thereafter be permitted to compete as an amateur in any of the sports or exercises over which this Union has jurisdiction; but where such act was not committed in connection with any of the sports or exercises enumerated in said Article III, the Board of

Governors is empowered to reinstate such person to eligibility to compete as an amateur in the sports and exercises over which this Union has jurisdiction upon it being shown to the satisfaction of said Board (1) that five years have elapsed since the commission of said act and (2) that the said person intends never to commit any further act or acts which would render him ineligible to compete as an amateur.

(cc) The Board of Governors is empowered to reinstate to eligibility to compete as an amateur in the sports or exercises over which this Union has jurisdiction one who has committed an act set down in Clause *c* of Section 1 upon it being shown to the satisfaction of said Board (1) that the instruction or preparation was not given in connection with any of the sports or exercises enumerated in Article III of this Constitution, or, if it was, that five years have elapsed since the giving of such instruction or preparation and (2) that the said person intends never to resume such instruction or preparation or to commit any other act or acts which would render him ineligible to compete as an amateur, and the Registration Committees of the active members are authorized to immediately restore to eligibility to compete as an amateur any person in case such instruction or preparation was given solely to men in the service of the United States in connection with the World's War upon being satisfied that the said person intends never to commit any act or acts which would render him ineligible to compete as an amateur.

(dd) The Board of Governors is empowered to reinstate to eligibility to compete as an amateur in the sports and exercises over which this Union has jurisdiction one who has committed an act set down in Clause *d* of Section 1 upon it being shown to the satisfaction of said Board (1) that such person has ceased to commit any of the acts, or to engage in any of the pursuits or practices set down in said clause and (2) that said person intends never again to commit any of the said acts, or to engage in any of the said pursuits or practices.

(ee) The Board of Governors is empowered to reinstate to eligibility to compete as an amateur in the sports and exercises over which this Union has jurisdiction one who has committed any of the acts set down in Clause *e* of Section 1 upon it being shown to the satisfaction of said Board (1) that his said competition was not in any of the sports or exercises enumerated in Article III of this Constitution, or, if it was, that one year has elapsed since such competition, and (2) that such person intends never again to commit such act.

ARTICLE XI.

CONDITIONS OF COMPETITION.

1. It shall be a condition precedent to the right to compete in any athletic meeting, game or entertainment given or sanctioned by this Union that such competitor be an amateur who has not violated any of the provisions of the preceding Article defining amateur standing, except that any person who may have been guilty of a violation thereof and who has been duly reinstated as therein provided, may, from the time of such reinstatement only, be deemed an amateur.

2. No amateur shall be allowed to compete or exhibit at any athletic meeting, game or entertainment given or sanctioned by this Union unless he shall be a duly registered athlete, except that cadets of the United States Military Academy and midshipmen of the United States Naval Academy shall be eligible to compete in any athletic meeting, games or entertainment given or sanctioned by this Union without registration, but all entries from such cadets or midshipmen must be accompanied by a certificate signed by the officer in charge of athletics at such academy that the entrant is an amateur according to the rules of the Amateur Athletic Union of the United States and is eligible and authorized to compete as a representative of such academy, and except that in case the United States Army or the United States Navy shall establish a system of registration similar to the system of registration adopted by the Amateur Athletic Union of the United States, which shall provide for an investigation and certificate that the person registered is an amateur according to the rules of the Amateur Athletic Union of the United States, such registration shall be deemed sufficient.

3. No amateur shall be permitted to represent an organization of which he is not a member, and no member of any club in this Union, or of any club in any district in this Union, shall be allowed to compete as a representative of such club in case he has within one year competed as a member of any other club then in this Union, unless such other club shall have disbanded or practically ceased to exist, or unless he has taken a bona fide residence in a district of this Union other than that of his original registration.

4. No amateur shall be eligible to compete for or enter any competition as a member of any club in the territory of any active member of this Union unless he shall have resided within the territory of said active member at least four months prior to the date of said competition.

5. No amateur shall be eligible to enter or compete in any district championship meeting unless he shall have been a bona

fide resident of such district at least six months prior to the holding of such championship meeting; provided, however, that a registered athlete who has resigned from a club that is a member of the Amateur Athletic Union shall for one year after such resignation be entitled to compete in the championship meetings of the district in which he has been a bona fide resident for at least six months prior to the holding of such championship meetings, and provided also that any association may provide that no person shall be allowed to compete at a district championship as a representative of a club who was not a member of such club on November 20, 1911, unless he resides within a radius from the headquarters of such club of such number of miles, not less than one hundred, as may be determined by the By-Laws of such Association.

6. No person who has been registered in any association of the Amateur Athletic Union shall be eligible to compete for any club in the territory of any other active member of this Union until four months after filing his application for registration, and shall not be eligible to compete in a district championship until six months after filing his application for registration.

7. The restrictions contained in Sections 3, 4, 5 and 6 shall not apply to undergraduates of an educational institution recognized as such by the Board of Governors when representing such institution in competition.

8. A student in actual attendance at an educational institution may represent either such institution or a club belonging to an active or allied member of this Union or may compete unattached. Such student shall not be required to register for competitions held under the rules of a recognized intercollegiate or interscholastic association, but such student must be registered for competitions held under the rules of the Amateur Athletic Union. When such registration is required he must be registered from his place of actual residence unless he elects to represent such institution in such A.A.U. competitions, in which case he may elect to consider such institution his residence for the purpose of such registration and he may thereafter transfer his registration to a club or other organization belonging to an active or allied member of this Union located in the district of his actual residence as follows: (a) between the first day of June and the first day of October, unless such institution closes prior to June first, in which case said period shall run from the close to the opening of the scholastic year as established by the certificate of the registrar of such institution filed with the Registration Committee at the time of applying for transfer, and (b) during the period of a semester in an insti-

tution permitting the attendance, in regular course, of students in semesters not consecutive, provided a certificate of the registrar of such institution is filed with the Registration Committee at the time of applying for transfer that such student is regularly enrolled in such institution, but is not required to attend such institution during said semester.

For the purposes of transfer of registration from the scholastic institution under this section the residence of such student, if he be a minor, shall be the residence of his parents, if any, or of his guardian, if his parents be dead, or, if he be an adult, his last place of abode at the date of the commencement of the semester immediately preceding his application for transfer.

At the termination of the period during which such student is permitted to represent a club or an organization other than his educational institution his registration may be retransferred to said institution. If he competes for any club or other organization after the expiration of such period he forfeits his right to represent the educational institution in competitions governed by the rules of this Union.

A student who has been transferred from his educational institution under the provisions of this section shall not be eligible to compete in any junior championship unless he has been registered for the club for which he desires to compete at least three months before the date of said junior championship, unless he has been previously registered from said club and his registration has been transferred to his educational institution, in which case he shall be eligible to compete immediately upon the transfer of his registration back to his club.

9. No person shall be eligible to compete in a championship meeting of more than one district in one year.

10. During the existence of an actual state of war, commissioned officers and enlisted men in the United States service shall be permitted to compete among themselves, or to participate in any public competition or exhibition as members of a team against another team all members of which are eligible to compete as amateurs in the sport in which such participation occurs, without registration, and without the amateur status of a contestant being affected by the fact that he competes with or against a professional, provided such competitions or exhibitions be for prizes other than money. And during the same period of time, such officer or man shall be permitted to represent his military or naval organization in open competition without registration upon signing and filing a certificate that he is an amateur according to the rules of the Amateur Athletic Union of the United States.

ARTICLE XII.

PRIZES.

1. No prizes shall be given by any individual, club, committee or association, or competed for or accepted by any athlete, except suitably inscribed wreaths, diplomas, banners, badges, medals, timepieces and mantel ornaments, or suitably inscribed articles of jewelry, silverware, table or toilet service, unless authorized by the Registration Committee, and said prizes shall not exceed the cost of \$35 for first, \$20 for second, and \$10 for third prize, unless by special permission challenge trophies or other similar prizes are authorized by the Registration Committee and a record kept of such authorization. Suitable team and individual prizes may be awarded for team competitions in a single specialty.

2. The prohibitions of this article shall not apply to tokens or prizes (other than money), composed in whole or in part of metal, and bearing inscriptions denoting the event or contest, in any case where such tokens or prizes shall have been given or sanctioned by this Union, or any of its members, or prior to the formation of this Union, by any recognized amateur organization; provided, that if any person shall, at any time after April 1, 1891, sell, pledge or exchange for any other thing, any such token or prize, he shall thereafter be ineligible, and he shall likewise be ineligible if at the time of the competition or entry therefor he be disqualified or under suspension by this Union, or any of its members, or any organization allied with or approved by it.

ARTICLE XIII.

SANCTIONS FOR MEETINGS AND REGISTRATION OF ATHLETES.

1. All games, meetings, benefits or entertainments of any kind where athletes compete or exhibit must be sanctioned, except where the same are held by a club which is a member of an association of this Union, or by an allied member of this Union, and the entries are confined to members of the club or of the allied member.

2. In no meeting, game, or entertainment that has been sanctioned as an open athletic meeting shall an athlete's entry be accepted unless he shall have received a numbered certificate of registration, stating that he is an amateur and eligible to compete in amateur sports. The provisions of this paragraph do not apply to events that are "closed," that is, open only to members of a club, organization or group that is a member of any Association of this Union.

3. Each athlete to whom registration is granted shall receive a card on which shall be plainly written his name, his number and the date of expiration of his registration.

4. All organizations giving open games or competitions under Amateur Athletic Union rules and sanction must state on their announcements and entry blanks that no entries to open events can be accepted except from registered athletes, and that no exhibition can be given by an athlete unless such athlete is registered.

5. The committee in charge of open athletic meetings must display the registration number of each competitor in a conspicuous manner before or after his name on the program.

6. Every active member of this Union shall elect a Registration Committee, to which shall be referred all matters within its territory pertaining to the registration and competition of athletes, and such Committee shall have power to govern and control the conduct of all meetings held by members of the Union or under the sanction of the Union.

7. Such Committees shall receive, examine and decide upon all applications for registration and shall have the power to grant or withhold sanction for athletic meetings and to impose penalties upon promoters of athletic meetings and upon athletes who compete or exhibit at the same without sanction of the Committee, and shall have the right of censorship on the character of prizes offered at athletic meetings and may withhold or withdraw the sanction, provided its decision in excluding any prize is not complied with. All sanctions must be signed by a member of the Registration Committee and a record thereof must be preserved by said Registration Committee in a book kept for such purpose.

8. All applications for registration must be signed by the applicant and be accompanied by a fee of 25 cents and endorsed by the Secretary or other official of the club of which said applicant is a member, unless he applies for registration as an unattached athlete. Should the applicant for registration not be a member of an athletic club, he must procure the endorsement of three reputable citizens of the locality in which he resides. All applications must be approved by a member of the Registration Committee within whose jurisdiction the applicant resides.

9. Such Committees can require an itemized statement of expenses, with receipts and vouchers, from any registered athlete or from any organization holding an athletic meeting under Amateur Athletic Union rules.

10. Every athlete when he registers shall state his residence and the club he wishes to represent, and he shall not be allowed to change his registration in any respect except upon notice in writing filed with the Registration Committee, which change, to be effective, must be approved by the Committee; upon such approval the change of registration shall be effective from the

date of the receipt of the notice by the Committee, or if he has competed within one year as a representative of a club in this Union, then from a date not less than one year subsequent to such competition. In all cases the athlete shall be officially notified of the change of registration. All applications for changes of registration must be accompanied by a fee of twenty-five cents.

11. The President of each active member shall be empowered to appoint athletic commissioners, each of whom shall have allotted to him territory within the territory of said active member and whose duties shall be such as is defined by the President and by the members of the Registration Committee and who will act as the representative of the Registration Committee, with power to grant temporary cards of registration and to grant sanctions and to temporarily disqualify athletes, and in the case of such disqualification to investigate and try the suspended athlete and report his findings to the Chairman of the Registration Committee of such Association for final action.

12. All registrations shall be in force for one year from date of registration, and to renew the same every athlete shall be required to fill out and sign a new application and he shall then be given a new number if registration is granted. The renewal application need not be endorsed, unless required by the Registration Committee.

13. When any registered athlete changes his residence from one district to another, he shall notify the Registration Committee of the district wherein he is registered and surrender his registration card, and such Registration Committee shall issue a transfer, showing the date of the application for transfer and the date of expiration of his registration, upon presentation of which transfer a new registration card for the unexpired period of his original registration, which shall be dated according to the date of the application for transfer, and shall be issued to him, free of charge, by the Registration Committee of the district of his new residence.

14. Every athlete, when competing in handicap events outside of the territory of the Association from which he is registered, shall forward with his entry a certificate from the handicapper of his particular handicap district showing his last three performances and his last three performances in the events for which he is entered. It shall be the duty of such handicapper to furnish such certificate on request of a registered athlete.

15. It shall be the duty of each Registration Committee to furnish to the Secretary-Treasurer of the Amateur Athletic Union on the first day of each week a list of all registrations granted during the preceding week, with numbers, names and

addresses, and to forward duplicate lists to the official handicappers.

16. Each Registration Committee shall have the right in considering and determining questions that affect the amateur status of any athlete to act upon any kind of evidence, direct, circumstantial or hearsay, and may receive and act upon affidavits and in its discretion may consider common report sufficient basis for suspension or disqualification and shall have power to suspend permanently any amateur athlete who neglects within thirty days to answer to the satisfaction of the committee questions touching his amateur status.

17. It shall be the duty of the Registration Committee to make, or have made, inquiry regarding any athlete whose amateur status is questioned, and all charges shall be entered with the Chairman of the Committee, who shall provide for an investigation by one or more members of the Committee. Pending investigation, the athlete against whom charges are brought may be suspended. Suspicious circumstances, which are sufficient in the judgment of any member of the Committee, to make the status of any athlete a matter of reasonable doubt, may be the basis of investigation in the absence of formal charges. The member or members to whom the investigation is assigned shall immediately notify the athlete either in person or by registered letter, of the charges filed against him or set forth the circumstances which lead to a reasonable doubt and require an answer to the charges or a satisfactory explanation of the circumstances to be made at a time fixed in said notice. If the Committee shall find the athlete guilty it shall inflict such punishment as it may deem just.

18. Any person who shall refuse to appear or to testify before any Registration Committee upon any hearing or to answer any question which such Committee shall rule to be proper, shall be liable to suspension or such other discipline as the Committee may determine until he has purged himself of such refusal.

19. It shall be within the province of the Registration Committee to suspend from competition for such a time as it may deem proper any person guilty of unfair dealing in connection with athletic competition, ungentlemanly conduct, or for violation of the rules of the Amateur Athletic Union, or for officiating for compensation or reward at any athletic competition or contest.

The following, among other things, shall be considered as unfair dealing and ungentlemanly conduct:

Suppression of true figures from the handicapper; the use of obscene or profane language on the track or field, the doing of any act which tends to disturb or obstruct a competition or to bring this Union or amateur athletics into disrepute.

20. The decision of the Committee shall be final in all cases, subject only to appeal to the Board of Managers of the Association and thereafter to the Board of Governors of the Amateur Athletic Union. An appeal to the Board of Managers must be taken within five days after notice of the rendition of the decision. An appeal to the Board of Governors must be taken within ten days after notice of the rendition of the decision. Any person interested may appeal.

21. In all cases where notices are required to be sent to a registered athlete, it shall be sufficient to mail the same in a postpaid envelope, addressed to him at the residence given in his application for registration; or, if he has filed with such Committee a written notice of change of residence, then at such changed residence.

22. The Registration Committee shall collect from applicants (in advance), except Amateur Athletic Union members, not less than Five Dollars each for granting sanctions for road races or cross-country races where no money is received for admission fees, and for open swimming meetings, and not less than Ten Dollars each for granting sanctions for all other open athletic meetings; but Registration Committees may grant free sanctions for basket ball games good for a limited period, not exceeding one year, and may grant free sanctions for municipal games and games given for charity.

23. It shall be the duty of each Registration Committee to pay over all moneys received for registration fees and sanctions to the Secretary-Treasurer of its Association on the first day of each month.

24. On the tenth day of each month, the Treasurer of each active and allied member shall pay to the Secretary-Treasurer of the Amateur Athletic Union the sum of five (5) cents for each certificate of registration issued during the preceding month, and one-third of all moneys received for sanctions granted during the preceding month.

25. Registration shall be granted to women for swimming events confined exclusively to women, but only for such events. Registration may be refused to girls under the age of fourteen years.

ARTICLE XIV.

DUES AND EXPENSES.

1. Allied members shall be exempt from the payment of dues.

2. Each active member shall annually pay to the Secretary-Treasurer, on or before the annual meeting, as annual dues for the ensuing year, a sum equal to \$2.50 for each club member of such active member; provided, that every applicant for active

membership shall remit with its application to the Secretary-Treasurer the amount of its annual dues, and shall not again be liable for the payment of dues until the year following the next ensuing annual meeting.

3. A failure to pay such dues within the time prescribed shall operate to forfeit the right to a representation of and a vote by the delinquent member at any meeting of the Union, and a continued indebtedness for dues or other charges for a period of two months shall operate as a loss of membership by the delinquent member.

4. The receipts from dues and from all other sources shall be devoted to defraying the expenses of national championship meetings and other necessary expenses of the Union.

ARTICLE XV.

MEETINGS OF THE UNION.

1. The annual meeting of the Union shall be held at 10 o'clock A.M., on the third Monday of November of each year, in a place to be designated by a majority of the members of the Board of Governors voting. Not less than twenty days' notice of such meeting shall be given.

(b) Where a vote by mail is required or decided to be taken as above, the Secretary-Treasurer shall mail to each member of the Board a clear statement of the question to be voted upon,

with the request that each member send his vote thereupon to the Secretary-Treasurer of the Union; and the said request shall state upon what day the voting with the Secretary-Treasurer shall be closed (which shall not be less than thirty-five days after the mailing of said question). In cases where the Board of Governors may deem it necessary, a vote may be taken by telegraph instead of by mail; in such cases the vote to close within forty-eight hours. TRIALS.

1. Original jurisdiction.

(a) In such cases as do not come under the jurisdiction of the Local Registration Committee and Board of Managers of any Association of the Amateur Athletic Union and where the Board of Governors has original jurisdiction, the complainant

shall submit to the Board his charges in writing and in detail, signed by himself. In case said charges are not deemed worthy of investigation the Board shall dismiss the case unless it shall see fit to request further information from the complainant.

(b) In case the Board shall deem such charges, either as originally submitted, or as amended, worthy of investigation, it shall forthwith send a copy thereof to the person charged, who shall, within fifteen days after the receipt thereof, file with the Secretary-Treasurer of the Union his answer in detail thereto, himself.

(c) The Board may, upon such charges and answers, dismiss such case; but if not, shall refer the same to a Committee, which Committee shall, upon not less than ten days' notice to both parties, appoint a time and place when evidence will be taken upon such charges, and shall have discretion to adjourn such hearing from time to time, as may seem just and proper.

(d) Within ten days after the closing of the evidence, such committee shall make and file its report with the Secretary of the Union, which report shall be submitted to the Board of Governors at its next meeting, at which due notice of the intended submission of such report can be given, unless a mail vote shall be taken upon the acceptance of the report, as herein-before provided, in which case a copy of the report and the evidence shall be mailed to each member of the Board of Governors, except the Trial Committee. In case no decision has been reached by the Board within ninety days after the charge was first filed by the complainant, the person accused shall be deemed to have been acquitted, and said charge shall stand as dismissed, as though formal action had been taken to that effect by a vote of the Board.

(e) Should the person charged fail to appear and defend, he shall be considered as having admitted the truth of the charges, and in case of such default, or his conviction, he shall suffer the penalty fixed by the Board of Governors under the Constitution of this organization.

(f) Should the accused be found innocent, he shall at once be so declared and the fact made public by the Board of Governors in such manner as it may determine. And in that case the expenses of such trial, or so much thereof as shall be determined by the Board of Governors, shall be paid by the complainant.

2. Appellate jurisdiction.

(a) In cases of appellate jurisdiction, all papers and documents, and the facts in writing upon which the decision appealed from was made, together with a copy of such decision

shall, on the request of the appellant and at his expense, be prepared and certified by the original trial tribunal and submitted to the Board of Governors.

(b) The Board shall thereupon, upon not less than ten days' notice to the appellant and respondent, hear argument itself, or by its committee, upon the question or matter involved, and may call for other or further evidence or witnesses, but such evidence or witnesses must be produced within a period to be fixed by the Board or its committee, which shall not be more than thirty days from the date of such first hearing.

(c) The final decision of the committee (if the trial be before a committee) shall be filed with the Secretary of the Union within fifteen days after the final hearing, and, in any case, the decision of the Board of Governors shall be rendered within thirty days after such final hearing, the vote being taken by mail, or at a special meeting, as shall be proper.

(d) In case either the appellant or respondent fails to appear at the first hearing, the appeal shall go against him by default, unless both should fail to appear, in which case the appeal shall stand dismissed. The Board of Governors may adjudge that the expenses of the appeal, or so much thereof as shall seem to them proper, shall be paid by the unsuccessful party. The decision upon such appeal shall be at once transmitted by the Secretary to every member of the Union, and shall be otherwise made public in such manner as the Board of Governors shall determine.

3. Refusal to testify.

Any person who shall refuse to appear to testify before the Board or its committee on any hearing or to answer any question which the Board or its committee shall rule to be proper, or to declare in writing his belief as to the amateur standing of any individual upon trial by the Union in the exercise of either its original or appellate jurisdiction, or any party who upon appeal shall fail to pay the expenses adjudged against him, shall be liable to suspension from competition or such other discipline as the Board or its Committee may determine until he has purged himself of such refusal.

VII.

AMENDMENTS.

These By-Laws may be amended at any meeting of the Board, or by mail or telegraph vote, by a majority of the members voting, provided that at least twenty days' notice shall have been given to every member of the Board of the proposed amendment.

COMPETITION OF NON-RESIDENTS.

1. He must submit to said Committee, through the Secretary of the Amateur Athletic Union, a certificate from the recognized governing body of the country wherein he resides that he is an amateur and eligible as such to compete in any amateur competition.

RULE II.

COMPETITION ABROAD.

1. Any amateur athlete, a resident of the United States, desiring to compete in amateur competitions in any other country, must, before such competition, secure from the National Registration Committee of the Amateur Athletic Union of the United States a permit, on petition of the club of which he is a member approved by the District Association wherein such club is located, that will authorize him to compete as an amateur in any other country.

RULE III.

PROFESSIONAL CONTESTS AND UNSANCTIONED COMPETITION.

1. Any club, a member of any Association of the Amateur Athletic Union of the United States, which permits the competition of any member, or any team, under its club name or its club emblem, in unsanctioned sport or professional contest, or which persists in playing disqualified or suspended athletes, or which permits professionals to compete under its auspices in a sport over which the Amateur Athletic Union assumes jurisdiction, where such competition is announced as a competition between amateurs, shall be liable to forfeit its membership in such Association.

RULE IV.

SUSPENSION OR DISQUALIFICATION OF INDIVIDUALS.

1. Any person knowingly competing against one who is disqualified or under sentence of suspension by this Union, or any of its active or allied members, shall be held to have suspended himself until the expiration of such sentence, or for such period as the Registration Committee of the Association in whose territory the offense was committed may deem proper.

5. No application for reinstatement to full amateur status shall be entertained unless the applicant shall have abstained from all professional conduct for two years, and such application can be acted upon only at a meeting of the Amateur Athletic Union or of the Board of Governors. A two-thirds vote shall be necessary for reinstatement.

6. Any person receiving compensation for services performed in any capacity in connection with athletic games, or in an athletic club, will be ineligible to represent such club in games held under the rules of the Amateur Athletic Union until he shall have permanently abandoned such employment. The abandonment of such employment shall not entitle a person to compete as an amateur who is not eligible under Article X of the Constitution.

7. No person who, at any time since the organization of the Amateur Athletic Union, has knowingly become a professional shall be reinstated as an amateur.

8. Any member of any club of any of the Associations of the Amateur Athletic Union who shall have been expelled from said club for unpaid indebtedness shall not be eligible to compete in any games given by any Association of the Amateur Athletic Union, or by any club of any Association of the Amateur Athletic Union, until such indebtedness is liquidated.

9. In all cases where an athlete receives money to cover traveling expenses, whether from his own club or any other organization, he shall immediately, upon his return home, send to the Chairman of the Registrat-

tion Committee of his own district a signed statement showing the amount received and an itemized account of his expenses. When any money is paid to an athlete for traveling expenses, the organization or committee making such payment shall be required to take a receipt therefor in duplicate, containing an itemized statement of such expenses, and forward immediately one copy thereof to the Chairman of the Registration Committee of the Association in which the athlete is registered, and one copy thereof to the Chairman of the Registration Committee of the Association in whose district the meeting is held, such receipts and statements to be kept on file by said chairmen respectively. Any athlete failing to promptly forward the statement, as required above, shall be liable to suspension; and any organization failing to secure and forward the receipt, as above provided, shall be liable to suspension or refusal of sanction as the case may be.

10. The traveling expenses which an athlete is allowed to ask for, receive or accept are limited to first-class railroad fare, including parlor car and single berth sleeping car fares actually paid, and the amount actually paid for meals and lodging, which amount for meals and lodging shall not exceed \$7.00 per day in any case during the time necessarily occupied in going to and returning from a meeting, and which amount for any single meal shall not exceed \$2.00. In a case where the meeting is more than 150 miles from an athlete's home, expenses may also be allowed for not more than one day before and one day after the meeting, unless a longer period is specially approved by the local registration committee. No traveling expenses or payment of any kind for manager, trainer, rubber, friend or relative, and no payment for loss of time or wages, shall be asked for or received directly or indirectly, except that women swimmers may be allowed to ask for and receive actual traveling expenses for a chaperone, not to exceed the amount hereinbefore allowed for an athlete. Any athlete violating this rule

shall thereby render himself ineligible for further competition as an amateur.

11. An athlete who permits anyone other than an officer of the club which he is entitled to represent in competition to make arrangements for his appearance at an athletic meeting shall thereby render himself ineligible for further competition as an amateur.

12. An athlete who desires to compete at any place more than twenty-five miles from his residence must receive a permit so to do from the Chairman of the Registration Committee of the Association in which the athlete is registered, who shall keep a record of the same, and upon the failure of the athlete to file, immediately upon his return home, a statement of the expenses he received or a statement as to the manner in which his expenses were paid he shall be considered to have suspended himself and he will be ineligible to compete at any games until reinstated.

mark the handicaps on such lists as well as on the original entry blanks, and return one copy of such list with the entries to the Committee, retaining the other copy for comparison with the program.

4. No competitor shall be allowed to start whose name is not on the printed program, unless his name was omitted through error, and no change shall be made in the handicaps as shown on the program, unless the handicapper makes the change, by written notification to the Referee and to the Clerk of the Course, before the competition starts in the event in which the change is made.

5. The total number of entries in all handicap events, added together, shall determine the number of entries, each name in each event counting separately, and the association or the handicapper, as the association may determine, shall receive ten cents for each separate entry, but no meeting shall be handicapped for less than Five Dollars, and all fees for handicapping must be paid before the handicaps are delivered. The compensation of the handicapper shall be fixed by each association. Any Association, however, may make such charge as it deems wise for handicapping competitions open only to soldiers and sailors in active service and road races conducted by a member of such Association, where no revenue is derived other than from the entry fees.

6. The handicapper shall not be required to handicap an entry unless the entry blank is properly filled out, showing past performances and registration number.

RULE XXX.

RUNNING HIGH JUMP.

1. The Field Judges shall decide the height at which the jump shall commence, and shall regulate the succeeding elevations.

2. Three jumps are allowed at each height, and a failure at the third attempt shall disqualify.

3. A competitor may commence at any height above the minimum height.

4. At each successive height each competitor shall take one trial in his proper turn; then those failing, if any, shall have their second trial jump in like order, after which those having failed twice shall make their third trial jump.

5. A competitor may decline to jump at any height in his turn, and by so doing, forfeits his right to again jump at the height declined.

6. A fair jump is one where the head of the contestant does not go over the bar before the feet and is not below the buttocks in clearing the bar.

7. The jump shall be made over a bar resting on pegs projecting from the uprights, and when this bar is removed from its place it shall be counted as a trial jump.

Neither diving nor somersaulting over the bar shall be permitted.

8. A line shall be drawn 3 feet in front of the bar and parallel therewith, to be known as a balk line, and stepping over such line, in any attempt, shall be counted as a "balk," and two successive "balks" shall be counted as a trial jump.

9. As soon as a competitor makes a spring in order to jump, this shall be counted as a trial jump.

10. The distance of the rim before the jump shall be unlimited.

11. All measurements shall be made perpendicularly from the ground to the upper side of the bar where it is lowest.

12. The employment of weights or grips of any kind is forbidden.

13. A competitor may place a mark for his take-off in running broad or running high jump.

14. The uprights shall not be moved during the competition.

15. The uprights shall be at least 12 feet (3.66 meters) apart.

16. The take-off ground about the jump must be level.

RULE XXXI.

STANDING HIGH JUMP.

1. The feet of the competitor may be placed in any position, but shall leave the ground only once in making an attempt to jump. When the feet are lifted from the ground twice, or two springs are made in making the attempt, it shall count as one trial jump without result. A competitor may rock forward and backward, lifting heels and toes alternately from the ground, but he may not lift either foot clear from the ground or slide it along in any direction on the ground.

2. With these exceptions, the rules are the same as those for the Running High Jump.

RULE XXXII.

RUNNING BROAD JUMP.

1. The length of the run is unlimited. Each competitor shall be allowed three jumps, and the five best shall be allowed three more jumps. Each competitor shall be credited with the best of all his jumps.

2. When jumped on earth the take-off shall be from a joist sunk flush with the ground, the outer edge of which shall be called the scratch line. In front of the scratch line, over a width of 3.94 inches (10 centimeters), the ground shall be sprinkled with soft earth or sand to make it slightly higher than the take-off joist. The measurement of the jumps shall be made at right angles from the scratch line, or scratch line extended, to the nearest break in the ground made by any part of the body of the competitor.

3. If any competitor swerves aside at the taking-off line, or the line extended, or touches the ground in front of the take-off joist with any part of his shoe or foot, such jump shall not be measured, but it shall be counted against the competitor as one jump.

4. A line shall be drawn 6 feet in rear of the scratch line, to be known as the balk line, and stepping, or falling, over such line, or such line extended, in any attempt, shall be counted as a "balk," and two successive balks shall be counted as a trial jump.

5. The rules for the Running High Jump shall govern, where applicable.

RULE XXXIII.

STANDING BROAD JUMPS.

1. (See rules for the Standing High Jump, as well as, where applicable, for the Running Broad Jump.)

RULE XXXIV.

HOP, STEP AND JUMP.

1. The competitor shall first land upon the same foot

with which he shall have taken off, the reverse foot shall be used for the second landing, and both feet shall be used for the third landing.

2. In all other respects, the rules for the Running Broad Jump shall govern.

RULE XXXV.

POLE VAULT.

1. The height of the bar at starting and at each successive elevation shall be determined by the Field Judges.

2. Each competitor shall be allowed three jumps at each height, and the competitor who fails at the third attempt shall be disqualified.

3. A competitor may commence at any height above the minimum height. He must, however, jump at every following height until he has forfeited his right to compete further except in the all-around and decathlon competitions.

4. The vault shall be made over a bar resting on pegs.

5. As soon as a competitor has left the ground for the purpose of making a jump, the jump is counted as a trial.

6. A line shall be drawn 15 feet in front of the bar and parallel therewith, to be known as the balk line, and stepping over such a line, or such line extended, in any attempt, shall be counted as a "balk," and two successive "balks" shall be counted as a trial jump.

7. Any competitor shall be allowed to dig a hole not more than one foot in diameter at the take-off, in which to plant his pole.

8. A competitor must not, in the moment that he makes a jump, or after leaving the ground, place his lower hand above the upper one or move the upper hand higher up on the pole.

9. Poles may have a binding, but must not have any further support for the hands.

10. If the uprights are moved, they shall not be moved

more than two feet in any direction, and not more than one hole may be made by a competitor. The take-off ground about the jump shall be level.

11. The uprights shall be at least 12 feet (3.66 meters) apart.

12. All measurements shall be made perpendicularly from the ground to the upper side of the bar where it is lowest.

13. In the pole vault, if in making a trial the competitor's pole is broken, it shall not count as a trial.

14. The rules governing the Running Broad Jump shall also govern the Pole Vault for Distance, except that when the man leaves the ground in an attempt, it shall be counted a trial.

NOTE—If the uprights are moved, the Field Judges should make a re-measurement, because if there is any inequality in the ground at all, changing the uprights may make a difference varying from one inch to a quarter of an inch, and a competitor should not be allowed to obtain an advantage in that way.

THROWING.

RULE XXXVI.

THROWING THE DISCUS.

1. All throws, to be valid, must fall within a 90 degree sector marked on the ground.

2. It shall be a foul throw if the competitor, after he has stepped into the circle and started to make his throw, touches with any part of his body or clothing the ground outside the circle before the discus strikes the ground. It shall also be a foul if the competitor steps on circle.

3. The measurements of each throw shall be made from the nearest mark made by the fall of the discus to the inside circumference of the circle on a line from such mark made by the discus to the center of the circle.

4. Each competitor shall have three trial throws, and the

best five shall have three more. Each competitor shall be credited with the best of all his throws.

RULE XXXVII.

PUTTING THE SHOT.

1. The shot shall be put from the shoulder with one hand only, and it must never be brought behind the shoulder.
2. In the middle of the circumference of the circle, at the front half thereof, shall be placed a stop-board, firmly fastened to the ground. In making his puts, the feet of the competitor may rest against but not on top of this board.
3. A fair put shall be one in which no part of the person of the competitor touches the top of the stop-board, the top of the circle, or the ground outside the circle.
4. The measurement of each put shall be taken at the circle from the nearest mark made by the fall of the shot to the inside of the circumference of the circle on a line from such mark made by the shot to the center of the circle.
5. Foul puts and letting go the shot in making an attempt shall be counted as trial puts without result. It shall also be a foul if the competitor steps on the circle, or leaves the circle before his throw has been marked.
6. Each competitor shall have three trial puts, and the best five shall have three more. Each competitor shall be credited with the best of all his puts.
7. The use of a harness for the hand composed of a leather strap around the wrist and small fingers from the wrist across the palm of the hand around each finger shall not be permitted.
8. No device of any kind which can be used as a support in aiding to put the Shot shall be allowed.

RULE XXXVIII.

JAVELIN THROWING.

1. The throwing shall take place from behind a scratch line properly marked, which shall be a board $2\frac{3}{4}$ inches (7 centimeters) in width and 12 feet (3.66 meters) in length, sunk flush with the ground.
2. The javelin must be held by the grip, and no other method of holding is admissible.
3. No throw shall be counted in which the point of the javelin does not strike the ground before any part of the shaft.
4. The throw is measured from the point at which the point of the javelin first strikes the ground to the scratch line or the scratch line produced.
5. Each competitor shall have three trial throws, and the best five shall have three more. Each competitor shall be credited with the best of all his throws.
6. The thrower must not place his foot or feet upon the board.
7. In javelin throwing the competitor must not cross the line until his throw has been marked.
8. In throwing the javelin, if the javelin breaks while in the air, it shall not count as a trial.

RULE XXXIX.

THROWING THE HEAVY WEIGHT.

1. In making his throw, the competitor may assume any position he chooses and use both hands.
2. Foul throws and letting go the weight in an attempt shall count as trial throws without result.
3. It shall also be a foul if the competitor steps on the circle, or leaves the circle before his throw has been marked.

THROWING FOR DISTANCE.

4. A fair throw shall be one where no part of the body of the competitor touches the top of the circle or the ground outside the circle.

5. The measurement of each throw shall be taken at the circle from the nearest mark made by the fall of any part of the weight or handle to the inside edge of the circumference of the circle on a line from such mark to the center of the circle.

6. Each competitor shall have three trial throws, and the best five shall have three more. Each competitor shall be credited with the best of all his throws.

THROWING FOR HEIGHT.

7. A barrel head 3 feet in diameter shall be suspended horizontally in the air.

8. The Field Judges shall determine the height at which the barrel head shall be fixed at the beginning of the competition, and at each successive elevation.

9. A fair throw shall be one where no part of the body of the competitor touches the ground outside the circle before the weight touches the barrel head, and where any part of the weight or handle touches any part of the barrel head.

10. The measurement of each throw shall be from the ground perpendicularly up to the lowest part of the barrel head.

11. The method of competition shall be the same as in the Running High Jump.

RULE XL.

THROWING THE HAMMER.

1. All throws to be valid throws must fall within a 90 degree sector marked on the ground.

2. A fair throw shall be where no part of the body of the competitor touches the ground outside the circle.

3. It shall also be a foul if the competitor steps on the circle or leaves the circle before his throw has been marked.

4. Each competitor shall have three trial throws, and the best five shall have three more. Each competitor shall be credited with the best of all his throws.

5. The measurement of the throws shall be from the nearest edge of the first mark made by the head of the hammer to the inside circumference of the circle on a line from such mark made by the hammer to the center of circle.

6. Letting go of the hammer in an attempt, or touching the ground outside the circle with any portion of the body while the hammer is in hand, are foul throws, which shall not be measured but which shall count as throws.

7. In hammer throwing, if the hammer breaks while in the air, it shall not be considered a throw.

RULE XLI.

METHOD OF MEASURING.

1. In all weight events and broad jumps, that portion of the tape showing the feet and inches must be held by the official at the take-off or at the circle.

RULE XLII.

HURDLES.

1. Different heights, distances and number of hurdles may be selected for hurdle races.

2. In the 70 yards and 120 yards hurdle race, each hurdle shall be 3 feet 6 inches high. They shall be placed 10 yards apart, with the first hurdle 15 yards distant from the starting point, and the last hurdle 15 yards before the finishing line. In the 220 yards hurdle race 10 hurdles shall be used, each hurdle to be 2 feet 6 inches high. They shall be placed 20 yards apart, with the first hurdle 20 yards distant from the starting mark, and the last hurdle 20 yards before the finishing line.

3. In the 440 yards hurdle race 10 hurdles shall be used, each hurdle to be 3 feet in height. The first hurdle shall be placed 40 yards from the scratch mark, the remaining

hurdles shall be placed 10 yards apart, and the distance from the last hurdle to the finishing line shall be 40 yards.

4. In the 110 meter hurdle race there shall be 10 hurdles, each hurdle 1.06 meters (3 feet 6 inches) high. The distance from the scratch mark to the first hurdle shall be 13.72 meters (15 yards); the remaining hurdles shall be placed 9.14 meters (10 yards) apart, and the distance from the last hurdle to the winning post shall be 14.02 meters (46 feet).

5. In the 400 meter hurdle race, there shall be 10 flights of hurdles, each hurdle to be 3 feet in height. The first hurdle shall be placed 45 meters (49.213 yards) from the scratch mark, the remaining hurdles shall be placed 35 meters (38.277 yards) apart, and the distance from the last hurdle to the winning post shall be 40 meters (43.745 yards).

6. In hurdle races of other distances and with different numbers of hurdles, the hurdles for distances up to and including 120 yards, shall be 3 feet 6 inches high and be placed 10 yards apart, with the first hurdle 15 yards distant from the starting point. In distances exceeding 120 yards and not more than 220 yards, the hurdles shall be 2 feet 6 inches high and shall be placed 20 yards apart, with the first hurdle 20 yards distant from the starting point. In distances exceeding 220 yards the hurdles shall be 3 feet in height and shall be placed 40 yards apart, with the first hurdle 40 yards from the starting point.

7. In making a record it shall be necessary for the competitor to jump over every hurdle in its proper position, and no record shall be allowed unless all the hurdles remain standing after the competitor clears them.

8. A competitor knocking down three or more hurdles or any portion of three or more hurdles in a race shall be disqualified. A competitor who runs around or trails his leg or foot alongside any hurdle shall be disqualified.

9. In all championship hurdle races of the Amateur

Athletic Union, or any of its Associations, up to and including 300 yards, each competitor shall have separate hurdles and a separate course marked out and measured independently, whether races are run straightaway or with turns.

RULE XLIII.

MARATHON RACE.

1. The Marathon Race shall be run on high roads. The start and finish may be on the athletic grounds.
2. Each competitor must send with his entry a medical certificate, from a physician of standing, certifying to his fitness to take part in a race of this kind.
3. No competitor, either at the start or during the progress of the race, may take any so-called drugs on pain of immediate disqualification.
4. A competitor must at once retire from the race if ordered to do so by a member of the medical staff, officially appointed.

RULE XLIV.

RELAY RACES.

1. A line shall be drawn 10 yards on each side of the starting line of each relay to be known as the starting zone. Within this zone each runner must pass the baton to the succeeding runner. No member of a relay team in order to relieve his team mate can run outside of such zone. The baton must be passed, not thrown or dropped by a competitor and picked up by the one succeeding him. Violation of any of these rules by any competitor shall disqualify the team. The baton must be carried throughout the entire distance of the race.

2. No man can run two relays in any one team.
3. The composition of a team cannot be changed after a trial heat has been run. No change can be made

in the order of running, except in relay races where each competitor runs the same distance.

4. The positions of the teams must be drawn for.
5. In all relay races an announcement must be made as to the distance each competitor is to run in his relay. Any competitor failing to run the distance required shall cause his team to be disqualified.
6. In the case of a handicap relay race the runner on the first relay is allowed the total handicap allowed each team.
7. In all handicap medley races the longest distance must be run first.
8. All teams entered in relay races shall be lettered, commencing with the letter "A." If any organization shall enter more than one team, each team shall have a different letter and it shall be the duty of the clerk of the course to check each individual member of said teams to see that they are wearing the proper letter.

RULE XLV.

TEAM RACES.

1. In track team races the maximum number of starters on a team and the number of men whose positions are to count shall be stated on the entry blank. The team scoring the least number of points according to the positions in which the members of the team finish whose positions are to count shall be the winner. Positions of other members of a team and positions of members of a team which does not finish at least the number whose positions are to count shall not be counted. In case of a tie on points the team whose individual member finished nearest to first place shall be the winner. If necessary, such races may be divided into trial heats and a final heat. If trial heats are run,

only those members of the teams qualifying shall be eligible to compete in subsequent heats whose positions were counted in the qualifying scores.

RULE XLVI.

CROSS-COUNTRY RACE.

1. The race shall be cross-country on a course properly marked and surveyed. The start and finish may be within the athletic grounds.
2. The course must be properly marked, preferably with red flags to the left and white flags to the right, which must be observable from a distance of 125 yards. In all other respects the rules governing track competitions shall apply.

RULE XLVII.

STEEPLECHASE RACE.

1. There shall be five jumps, including a water jump, to each quarter mile.
2. The hurdles shall be not more than 3 feet high. The hurdles at the water jump shall be firmly fixed.
3. Each competitor shall go over or through the water, and any one who steps to one side or the other of the jump shall be disqualified. The competitor must clear each jump, but may vault each obstacle.

RULE XLVIII.

WALKING.

1. Walking is a succession of steps and, in contradistinction to running (wherein both feet may be off the ground at the same time), in walking there must always be contact with the ground with some portion of one of the feet.
2. In track races the following code of rules governing walking must be adhered to, or else disqualification will ensue:

(a) Leg Action—As the foremost foot in taking a step touches the ground, the knee must not be bent. The heel must touch the ground first and the toe be the last portion of the foot to leave it. It is imperative that the heel of the foremost foot must touch the ground before the toe of the other foot ceases to have contact with it.

(b) Carriage of Body—The body must be kept strictly upright.

Note.—Discretionary power is given to the judge or judges of walking to decide whether, in the event of the body being inclined forward, such attitude is the result of fatigue or arises from some cause beyond the control of the competitor; and if it be, and he or they are convinced that the rule has been broken for such reason only, and that the competitor is still walking fairly otherwise, disqualification need not necessarily follow from this cause alone.

(c) Carriage of Arms—The arms may be held in any way the walker likes, but it is advised that they be carried well up.

3. A disqualified competitor must at once leave the track.

COMBINED COMPETITIONS.

RULE XLIX.

PENTATHLON.

1. The competition comprises the following events: Running Broad Jump, Throwing the Javelin, 200 meters flat race, Throwing the Discus, and 1,500 meters flat race. The events shall be contested in the above-mentioned order.

2. Three trials only are allowed in both jumping and throwing.

3. In the 200 meters flat race, groups of three men are formed by lot. If the number of runners is such that after the groups have been arranged one man is over to run alone, one man shall be drawn by lot from among the remaining competitors to run against him.

4. In each event the winner shall receive 1 point, the second man 2 points, etc.

5. Points are counted according to the result obtained. In the event of a tie, the competitors need not compete again. If thus two or more obtain the same result, those so tieing receive the same points, and the next man receives a point corresponding to the position in which he finishes relative to all the other competitors.

6. All compete in the first three events. The total points of the competitors are counted, and the twelve best (i. e., those with the lowest numbers of points) shall qualify to compete in the Discus Throwing. If the counting of the points results in a tie for the twelfth place, all such may start in the Discus Throwing.

7. The points of the competitors entitled to compete in the Discus Throwing shall then be counted again with reference to their relative order in each of the first three events, their points being counted as if they alone had competed without reference to the placing of other competitors. The Discus Throwing and 1,500 meters flat shall then be started with the points thus awarded.

8. After the Discus Throwing, the six best compete in the 1,500 meters flat race, to be run in one heat.

9. If more than one tie for the sixth place after the Discus Throwing, all such may compete in the 1,500 meters flat race.

10. In the flat races, the time for each competitor shall be taken with three watches.

11. The winner shall be the one who, on the completion of the 1,500 meters flat race, has obtained the lowest total points in the five competitions.

12. If at the end of the competition one or more of the competitors obtain the same number of points, their respective positions shall be determined by the valuation of their result according to the Decathlon table.

RULE L.

DECATHLON.

1. The competition comprises the following events: 100 meters flat, Running Broad Jump, Putting the Weight, Running High Jump, and 400 meters flat, on the first day. Hurdle Race (110 meters), Throwing the Discus, Pole Vault, Throwing the Javelin, and 1,500 meters flat, on the following day. The events shall be contested in the above mentioned order.

2. Three trials only are allowed in both jumping and throwing.

3. Both in the 100 meters and 400 meters flat races, as well as in the hurdle race, three or four competitors start in each group. On the other hand, in the 1,500 meters race, five or six shall start. However, the Referee shall have the right, in case of necessity, to make alterations.

4. The composition of the groups is decided by lot.

5. The time for each competitor shall be taken with three watches.

6. The winner shall be the one who has obtained the highest number of points in the ten divisions.

7. For a result similar to the best result obtained at the 1912 or previous Olympie Games, 1,000 points will be awarded. Other results are valued in accordance with the Decathlon table. If a result exceeds the best "Olympic" result, correspondingly higher points will be awarded.

8. How to score the Decathlon. (See pages 125-130.)

RULE LI.

ALL-AROUND COMPETITION.

1. The competition comprises the following events: 100 yards run, putting 16-lb. shot, running high jump, 880 yards walk, throwing 16-lb. hammer, pole vault for height, 120 yards hurdle (10 flights, 3 feet 6 inches high), throwing 56-lb. weight for distance, running broad jump, one mile run. The events shall be contested in the above-mentioned order. Each event shall be started five minutes after the event preceding it has been contested.

2. In each event the World's best amateur record on the Amateur Athletic Union record book in 1893, when the scoring tables were adopted by this Union, shall be taken as a maximum, for which 1,000 points will be allowed. Then a standard or limit is established, and performances equal to or worse than these standards score nothing. For performances between the maximum and the limit, points are allowed in accordance with graded table shown in Section 7. For a performance exceeding the record, correspondingly higher points will be awarded.

3. Three trials only are allowed in both jumping and throwing.

4. In the 100 yards run and 120 yards high hurdle race, the time of the winner only is taken and the other contestants must be scored by their distance back of the winner. The final 10 yards of the course is marked off with whitewash lines one foot apart. The judges shall station themselves in such positions as will enable them to note accurately the distance from the finish line of the second, third, and fourth men at the moment the first man touches the tape. Not more than four men shall start in any heat. If there are more than four men in the competition they shall be divided into heats of not more than three starters. The fastest three men, as nearly as the officials can judge, shall be placed in one heat; the next three in speed in the next heat, and

so on down to the slowest three for the last heat. When the judges announce the distances between the contestants, the scorers shall allow points as follows:

100 yards—To the first man, the points allowed in the table for his time; to the second, third and fourth men, the points allowed for the first man's time, less seven points for each foot that each man is behind the winner.

120 yards high hurdle—To the first man, the points allowed in the table for his time; to the second, third and fourth men, the points allowed for the first man's time less five points for each foot that each man is behind the winner.

5. In the 880 yards walk and one mile run the time for each competitor shall be taken by three watches.

6. The winner shall be the one who has obtained the highest number of points in the ten divisions.

7. How to score the All-around. (See pages 131-138.)

RULE LII.

TUG-OF-WAR WITHOUT CLEATS.

1. The teams shall consist of equal numbers of competitors. The rope shall be of sufficient length to allow for a pull of twelve feet, and for twelve feet slack at each end, together with four feet for each competitor; it shall be not less than four inches in circumference and shall be without knots or other holdings for the hands. A center tape shall be affixed to the center of the rope, and six feet on each side of the center tape a side tape shall be affixed to the rope. A center line shall be marked on the ground, and six feet on each side of the center line a side line parallel thereto. At the start the rope shall be taut and the center tape shall be over the center line and the competitors outside the side lines. During no part of the pull shall the rope be tied or in any way crossed by the anchor man, nor shall he wilfully place either hand on the ground.

2. There shall be one Judge and two Inspectors who shall be responsible for seeing that the rules are properly

SPALDING'S ATHLETIC LIBRARY.

carried out. The Judge shall start the competition by word of mouth and take charge of the center and side lines, and give effect to the result of any pull by blowing a whistle. The Inspectors shall take charge of the teams and see that members of such teams do not wilfully touch the ground with any part of the body other than the feet, and report to the Judge any infringement of this rule. It shall be in the discretion of the Judge to disqualify the offending team and award the pull in question to the opposing side, or he may disqualify the offending team from the competition. A pull shall be won when one team shall have pulled the side tape of the opposing side over their own side line, or if any portion of the foot of any competitor of the opposing side goes beyond the center line. In the event of both teams leaving go of the rope before either side has pulled the side tape of the opposing side over their own side line, the pull shall be declared no pull and shall not constitute one of the requisite number of pulls. No competitor shall make any hole in the ground with his feet, or in any other way, before the start. In all competitions confined to certain weights, two Clerks shall be appointed who shall be responsible to the Judge for the correct weighing of the competitors before the start. All heats shall be won by two pulls out of three. All competitors shall wear boots or shoes as per regulation; heel and sides of heel (i. e., from the face to the seat) shall be perfectly flush. No prepared boots or shoes, heel plates (sunken or otherwise), projecting nails, tips, springs, Blakeys, rubbers, points, hollows or projections of any kind shall be allowed.

3. No gloves or adhesive substance whatever shall be used on the hands or ropes.

4. If there be more than two teams entered for a competition, the drawing shall be held immediately before the contest to determine the order in which the team shall pull and the method of drawing and the awarding

of prizes shall be the same as prescribed in the Rule for Tug-of-War with Cleats.

RULE LIII.

TUG-OF-WAR WITH CLEATS.

1. The Tug-of-War shall be pulled on 8 wooden cleats, each 22 inches long, 6 inches high, and at least 4 inches thick. These shall be set on edge and bolted to a board base and shall be at least 6 feet 6 inches apart, with the first cleat, on each side of a central clamp, at least 6 feet distant therefrom.
2. The clamp shall be equidistant from the first cleat on either side and shall be of sufficient strength to hold the rope in position until released, but not make an appreciable kink in the rope.
3. The rope used shall be of manila, three-stranded, and not less than $4\frac{1}{2}$ nor more than 5 inches in circumference.
4. No mechanical device shall be used for holding the rope, but a belt may be worn to protect the body of the anchor man, although the flanges to hold the rope in place around the belt shall not be constructed so as to bind on the rope in any position that the anchor may assume. The belt shall not weigh more than 20 pounds.
5. No knot of any kind shall be tied in the rope, and the rope shall not be passed more than once around the body of the anchor.
6. Leather shields and gloves may be used by the contestants and adhesive substances may be put on the same.
7. Competitors shall not use weights in unlimited pulls, but in pulls limited to specific weights, competitors may use weights, provided the total weight of the team, including the weights, does not exceed the weight limit.
8. When the competition is limited to teams of a given weight, competitors shall be weighed immediately before competing and shall be weighed as they pull, viz: including clothing, shoes, belt, etc.
9. In no case shall any man pull on more than one team

SPALDING'S ATHLETIC LIBRARY.

in a competition, and no substitute shall be allowed to pull on any team that has pulled a trial.

10. The standard time limit for each pull shall be five minutes, and a rest of not less than ten minutes shall be allowed each competitor between trial pulls. A shorter or longer time limit may be agreed upon in other than championship contests.

11. Any position may be assumed by the competitors before the start, which shall be made by pistol fire after the teams have been first notified to "get ready".

12. In case a team gains 3 feet from its opponent, it shall be awarded the pull.

13. Immediately before the competition the captains of the opposing teams shall draw their numbers and compete in a preliminary round to reduce the number of competing teams to 2, 4, 8, 16, and so on. (Thus if there are 3, 5, or 9 teams, have one preliminary pull to reduce to 2, 4, or 8; if 6 or 10 teams, have two pulls to reduce to 4 or 8; if 7 or 11 teams, have three pulls to reduce to 4 or 8, and so on). Teams drawing a bye on the first drawing shall receive the lowest numbers on the second drawing, thus if there be one bye drawn such team shall receive number 1; if two byes are drawn such teams shall receive numbers 1 and 2 for the second drawing, and if there be three byes, such teams shall receive the numbers 1, 2 and 3 in the second drawing. In all drawings where numbers 1, 2, 3, 4 and so on are drawn, number 1 competes with number 2, 3 with 4, and so on. When the class is brought to a multiple of 2, 4, 8 or 16 the drawings proceed regularly to the final pull.

14. The winner of the final pull receives first prize, the loser receives the second prize, and the two teams which were defeated by the teams winning the first and second prizes in the previous round of pulls, shall again pull to determine the winner of the third and fourth prizes. Where only three teams compete, the team drawing the bye shall pull off for second prize if defeated by the winner of the first round.

RULE LV.

SWIMMING.

1. Officials shall consist of one Referee, three Judges at the Finish, three Timekeepers, one or more Inspectors, one Starter, one Clerk of the Course with assistants, if necessary.

2. Duties and powers of these officials shall be the same as is prescribed for them in the foregoing rules.

3. In the 50 yards and 100 yards swimming races each competitor shall stand with one or both feet on the starting line, and when the signal is given shall plunge. Stepping back, either before or after the signal, will not be allowed.

4. The start for longer races shall be the same as the 100 yards, except that competitors may start in the water (tread-water start) from an imaginary line.

5. Each competitor shall keep a straight course, parallel with the courses of the other competitors, from the starting station to the opposite point in the finish line. Any competitor who, when out of his own water, shall touch another competitor, is liable to disqualification from that event, subject to the discretion of the Referee.

The following number of competitors shall be allowed to swim in one heat: In an unobstructed, clear space from 15 to 20 feet, 3 men shall be allowed to start; from

20 to 25 feet, 4 men; from 25 to 30 feet, 5 men; from 30 to 35 feet, 6 men; from 35 to 40 feet, 7 men.

The Referee must see that this Rule shall be strictly enforced.

At the word "Go," the competitors shall push off on their backs and commence and continue swimming upon their backs throughout the race. At each end of the bath, in turning, competitors shall place both hands on the end or rail of the bath before pushing off, as at the commencement of the race. The Referee shall have absolute discretion to disqualify any competitor under this clause.

9. *Breast Stroke.* Three judges shall be appointed to judge the form in all breast stroke competitions. At the word "Go," or pistol shot, the competitors shall dive and swim on the breast. Both hands must be pushed forward and brought backward simultaneously. The body must be kept perfectly on the breast, and both shoulders on line with the surface of the water. When touching at the turn or finishing a race the touch shall be made with both hands simultaneously. Any competitor introducing or using a side stroke movement during the race to be disqualified. The use of the scissors leg movement is considered a side stroke movement and therefore prohibited. The Referee shall have absolute discretion to disqualify any competitor under this clause.

a. The measurements, construction and fixing of all diving boards shall be subject to the approval of the Amateur Athletic Union.

b. Any club holding diving championships, not being able to comply with the regulations herein specified, shall submit such changes as may be found necessary to the National Championship Committee for approval.

c. Instruction to Judges. In making awards for points for each dive the judges shall have regard to the character of the respective dive to be performed, and shall take into consideration: The manner of the dive (proper carriage, confidence and form), the force and speed of the dive, the entrance into the water and how the run or take-off is performed. When judging the carriage the individuality of the diver should be taken into consideration. The bearing in the air should be natural, easy, supple and graceful. When performing plain head dives, the head should be erect, back hollowed, legs closed with feet turned back, arms supple and fingers closed. The start should be made gracefully, with confidence and in a bold manner; in running dives the force and energy imparted should be considered. The entrance into the water should be made without splashing and with good carriage of the body.

d. For each dive each judge shall award points according to the following scale:

| | Points. |
|----------------------------|---------|
| Unsuccessful attempt | 0 |
| Bad dive | 3 |
| Fair dive | 6 |
| Good dive | 8 |
| Excellent dive | 10 |

The judges may mark points and half points between those mentioned in the above scale, but 10 shall be the highest possible that can be awarded by any judge.

An unsuccessful attempt is one in which the competitor has failed to perform the dive nominated.

In all jackknife dives the competitor should enter the water within six feet from the take-off.

All head dives with arms by sides are ruled out.

Swallow and all other forms of straight front dives are to be considered as plain front dives.

In all somersaults or jackknife dives with twists, the somersaults or jackknives must be completed before twisting. In all jackknife dives the competitor must enter the water within six feet from the take off to constitute an excellent dive.

e. Under observation of the foregoing conditions and instructions in making their respective awards each judge shall:

- a. Write down his points for each dive performed by each competitor according to the scale of points named in paragraph d.
- b. The points awarded by him for each voluntary dive shall be multiplied by the points allowed for the degree of difficulty in each case as specified in the following diving tables.
- c. After the total of points for each competitor has been found and checked as being correct, each judge shall place the competitors in the order in which they finish on his diving card. He shall give 1, to the diver scoring the greatest number of points; 2, to the diver scoring the second greatest number of points, etc. If two competitors score the same number of points their place numbers shall be added and each given one-half. For instance, if two competitors receive the same number of points, which is the second largest on the diving card of a judge, their place numbers 2 and 3 shall be added, and each competitor shall receive $2\frac{1}{2}$, and the next following competitor shall receive the number 4. The place numbers given to the respective competitors by each of the judges shall be added together and the competitor showing the lowest total of place numbers shall be declared the winner. In case of a tie the point totals of all the judges shall be added together and the competi-

tor whose total of points is greatest shall be the winner of the tie.

A list of voluntary dives shall be submitted by each competitor to the judges in writing before the beginning of the competition. Changes in the list of voluntary dives are not permitted. No competitor shall be permitted to repeat any of his dives.

The Referee must ascertain before the beginning of a competition that the depth of the water is sufficient to insure the safety of the competitors.

Competitions or exhibitions of diving from a greater height than 34 feet are prohibited.

The conditions of a diving competition, namely, height of board, number of voluntary and compulsory dives, and the character of the latter, must be stated in entry blanks.

f. Fancy Diving from the Springboard. The board shall have a length of 13 feet and shall be 20 inches wide and shall be of the usual elastic character.

In championship meetings the height of the board from the surface of the water shall be not less than 9 feet 6 inches, nor more than 11 feet.

The program for championships shall consist of the following dives: Running front dive, back dive, running forward jackknife, back jackknife and six voluntary dives selected from the following table. No voluntary dive, however, shall be a repetition of any of the compulsory dives.

For high diving competitions from a firm take-off the platforms shall be 7 feet wide, fixed, free from spring and placed at two heights, the first not less than 14 feet and not more than 16 feet and the second not less than 24 feet and not more than 27 feet above the surface of the water for men, and not less than 20 feet and not more than 22 feet above the surface of the water for women.

The program for championships shall consist of two compulsory dives from the lower platform, namely, one plain back dive and one backward somersault; and two from the high platform, one running plain dive and one standing plain dive, and six voluntary dives, to be performed from the high platform and to be selected from the following table. No voluntary dive, however, shall be a repetition of any of the compulsory dives.

11. *Plunge for Distance.* The maximum height of take-off for the plunge for distance shall be limited to eighteen inches above the surface of the water.

A plunge shall be a standing dive, made head first from an indicated firm take-off (i. e., diving base), free from spring. The body is to be kept motionless—face downward—and no progressive action to be imparted to it other than impetus of the dive. During the plunge the hands of a competitor shall be kept together.

The plunge shall terminate, if the competitor has not already raised his face above the surface of the water, at the expiration of 60 seconds, or such time as may have been previously announced by the promoting body. The duration of such plunge shall be reckoned from the time the competitor dives from the take-off.

At the finish of any plunge the competitor must leave the water as quietly as possible. Anyone disturbing the water so as to interfere with the progress of the competitor following will be disqualified.

The distance traversed in a plunge shall be measured along a straight line, at right angles to the diving base, to a line parallel to the diving base, over the farthest point reached by any portion of the competitor's body while fulfilling the above conditions.

In championship or level contests each competitor shall be allowed three plunges, and the farthest plunge shall win. In handicaps, the number of plunges shall be left to the discretion of the promoting club.

When a competitor touches the side of the tank or pool, his distance shall be taken and he shall be compelled to stop.

A line may be made or painted along the bottom of the pool or tank to enable the competitors to guide themselves.

12. *Miscellaneous.* A competitor in turning must touch the end of the bath or course with one or both hands before kicking off.

Standing upon the bottom in the shallow end of a

bath during a competition is only allowed for the purpose of resting. Walking or jumping from the bottom in the shallow end of a bath shall not be allowed.

The competitor in a handicap race who has the lowest handicap shall have the choice of position.

Where two men are on the same mark they shall draw for choice of position.

In case of a dead heat in a handicap the competitor with the lowest handicap shall be declared the winner. Where a dead heat occurs between two men on the same mark the tie shall be decided by a swim-off on the same day, or the one refusing to swim shall be given the next lowest prize.

Choice of position shall be drawn for in races other than handicaps.

When a trophy or prize is given to a club scoring the greatest number of points in a meeting, the points shall be counted as follows:

| | Points. |
|-------------------------------------|---------|
| First in swim, plunge or dive..... | 5 |
| Second in swim, plunge or dive..... | 3 |
| Third in swim, plunge or dive..... | 1 |
| First in relay race..... | 10 |
| Second in relay race..... | 6 |
| Third in relay race..... | 2 |
| First in water polo..... | 15 |
| Second in water polo..... | 9 |
| Third in water polo..... | 3 |

In Relay Races competitors other than the first starter on the Relay Team shall not start until touched by the proper official, preferably on the leg below the knee.

HOW TO SCORE A DIVING COMPETITION.

SUGGESTIONS FOR SCORE CARDS.

Blanks for voluntary dives to be supplied by the club holding the competition. After filling them out and signing them, competitors deliver them to the clerk of the course. The announcer announces each voluntary dive from these blanks when the respective competitor's turn comes, and the diving judges must see that the dive nominated shall be performed. After the competition these blanks are turned over to the diving scorers.

WATER POLO.

1. *Field of Play.*—The distance between the goals shall not exceed 30 yards or be less than 19 yards; the width shall not be more than 20 yards and shall be of even width throughout the field of play. The two yard and four yard penalty lines and the half distance shall be clearly marked on both sides of the field of play.

2. *Depth.*—The water shall not be shallower than 3 feet.

3. *Goals.*—Goal posts shall be fixed at each end of the field of play. These must be at least one foot from the end of the bath or from any obstruction. The width between the posts to be 10 feet, and the cross-bar to be 3 feet above the surface when the water is 5 feet or over in depth; when the water is less than 5 feet in depth, the cross-bar to be 8 feet from the bottom. Nets must be attached to the goal posts in such a way as to close the whole goal area, and hang below the surface of the water. The back of the net must be at least one foot behind the goal line and hung from the height of the cross-bar. Goal posts and nets must be provided by the home team.

4. *The Ball.*—The ball shall be leather-covered and must be round and fully inflated, and shall measure not less than 27 inches and not more than 28 inches in circumference. It shall be waterproof, with no strapped seams outside and no grease or other objectionable substance on the surface. The ball must be furnished by the home team.

5. *Caps and Flags.*—One team shall wear white caps and the other team dark blue caps. Both goalkeepers shall wear red caps with quarterings of his own side's colors. A red flag and a white flag shall be provided for each goal scorer, and a dark blue and a white flag for the referee. The whole of the above to be provided by the home team.

6. *Officials.*—The officials shall consist of a referee, a time-keeper, and two goal scorers.

7. *Referee.*—The duties of the referee shall be:

- (a) to start the game.
- (b) to stop all unfair play.
- (c) to decide all cases of dispute.
- (d) to declare fouls and generally see that these rules are carried out.
- (e) to decide upon all goals, corner throws and goal throws, whether signified by the goal-scorer or not.
- (f) goals, fouls, and other stoppages of the game shall be signified by whistle.

SPALDING'S ATHLETIC LIBRARY.

The Referee's decision on questions of fact is final, and in all cases must be carried out during the game.

NOTE.—A Referee may alter his decision providing such alteration be notified before the ball is again in play. A Referee has power to stop play at any period of the game, if in his opinion the behavior of the players or spectators or other exceptional circumstances prevent the match from coming to a proper conclusion.

8. *Goal Scorers*.—The goal scorers, having tossed for choice of ends, shall stand at the side and in a line with the front of each goal, and when they consider that the entire ball has passed through the goal posts, or over the goal line, at their respective ends, only, they shall signify the same to the Referee, a red flag, denoting a corner; a white flag denoting a goal throw; and both flags to denote a goal. The goal scorers shall not change ends, and shall keep the score of goals of each team at their respective ends.

9. *Timekeeper*.—The timekeeper must be provided with an ordinary stop watch and a whistle, which must be provided by the home team. He shall notify half-time and time by whistle, and the signal shall take immediate effect.

10. *Time*.—The duration of a match shall be 14 minutes, seven minutes each way. Three minutes shall be allowed at half-time for change of ends. When the ball crosses the goal line, whether it be a goal, corner throw or goal throw, it shall be dead until the restart of the game, or until it leaves the hand of the player taking the throw, and all such time shall be deducted. Time occupied by disputes or fouls, or when the ball is thrown from the field of play, or lodges on an obstruction, as per Rule 21, shall not be reckoned as in the time of play.

11. *Teams*.—Each side shall consist of seven players, who shall wear drawers, or costumes, with drawers underneath the costumes. In baths no oil or grease or other objectionable substance shall be rubbed on the body.

12. *Captains*.—The captains shall be playing members of the teams they represent, they shall agree upon all preliminaries, and shall toss for choice of ends; the loser of the toss shall have choice of colors. If they are unable to agree upon any point, the Referee shall decide it for them.

13. *Starting*.—The players shall enter the water and place themselves in a line with their respective goals. The Referee shall stand in a line with the centre of the course, and having ascertained that the captains are ready, shall give the word "GO," and immediately throw or release the ball into the water

at the centre of the field of play. From the start or restart a goal cannot be scored until the ball has been handled, viz., played with the hand below the wrist, either by two members of one team, in which case the scorer shall be within half distance of the goal attacked, or by a player of each team. An attempt on the part of the goalkeeper to stop the ball when it has been handled by the players of one team only, and shot from over half distance shall not constitute handling, and should the ball cross the goal line, a goal throw shall be awarded.

14. *Scoring.*—A goal shall be scored by the entire ball passing beyond the goal posts, and under the cross-bar. If, on the notification of half-time or time, the ball be not fully through the goal posts, no goal shall be allowed.

A goal may be scored by the head or feet, provided the ball has been previously handled by two players, as provided for in Rules 13 and 17.

15. *Ordinary Fouls.*—It shall be a foul:

- (a) to touch the ball with both hands at the same time.
- (b) to hold the goal posts, rail or side, during any part of the game.
- (c) to walk about the bath.
- (d) to stand on or touch the bottom during any part of the game, unless for the purpose of resting.
- (e) to interfere with an opponent or impede him in any way, unless he is holding the ball.
- (f) to hold the ball under water when tackled.
- (g) to jump from the bottom or push from the side—except at starting or restarting—in order to play the ball or duck an opponent.
- (h) to hold, pull back, or push off from an opponent.
- (i) to turn on the back and kick at an opponent.
- (j) to assist a player at the start or restart of the game, or for any player to push off from any part of the goal posts.
- (k) for the goalkeeper to go more than 4 yards from his own goal line, or to take a goal throw improperly. (Rule 20.)
- (l) to throw the ball at the goalkeeper or to an attacking player within two yards of goal, from a free throw. (Rule 20.)
- (m) to refuse to play the ball at the command of the Referee after a foul or after the ball has been thrown from the field of play.
- (n) to touch the ball before it has reached the water, when thrown in by the Referee. See Rules 17 and 21.

NOTE.—CLAUSE E.—Dribbling or striking the ball is not “holding,” but lifting, carrying, pressing under water, or placing the hand under or over the ball when actually touching, is holding. Dribbling the ball up and through the posts is permissible.

16. *Wilful Fouls.*—If, in the opinion of the Referee, a player commits an ordinary foul—Rule 15—wilfully, or one of the following specified offenses, the Referee shall at once order him out of the water until a goal has been scored.

It shall be considered a wilful foul:

- (a) to start before the word “GO.”
- (b) to deliberately waste time.
- (c) for a player to take up a position within two yards of his opponent's goal-line.
- (d) to deliberately change position after the Referee has blown the whistle to stop the game and until the ball is again in play.
- (e) to deliberately splash in the face of an opponent.
- (f) to strike at the ball with the clenched fist.

Any player ordered out of the water for misconduct or for a wilful foul, shall not re-enter until a goal has been scored, notwithstanding that half-time may intervene, or extra time be played, and then only with the consent of the Referee.

NOTE.—In the event of a Referee ordering a player out of the water and such player refusing, the game shall be stopped, the match awarded to the other side, and the offending player reported to the body governing the competition.

17. *Free Throws.*—The penalty for each foul shall be a free throw to the opposing side from the place where the foul occurred. The Referee shall declare a foul by blowing a whistle and exhibiting the color of the side to which the free throw is awarded. The player nearest to where the foul occurred shall take the throw. The other players shall remain in their respective positions from the blowing of the whistle until the ball has left the hand of the player taking the throw. A free throw shall be such as, in the opinion of the Referee, allows all players to see when the ball leaves the hand of the thrower. In the event of illness or accident or of one or more players from each team committing a foul so nearly at the same moment as to make it impossible for the Referee to distinguish who offended first, he shall have the ball out of the water and throw it in as nearly as possible at the place where the foul occurred, in such a manner that one member of each team may have equal chance of playing the ball. In such cases the ball must be allowed to touch the water before it is handled. In all cases where a free throw is

SPALDING'S ATHLETIC LIBRARY.

allowed under this Rule and Rules 15, 16, 19, 20 and 21, the ball must be handled, i. e., played with the hand below the wrist, by more than one player before a goal can be scored.

18. *Penalty Throw*.—A player wilfully fouled when within four yards of his opponent's goal line, shall be awarded a penalty throw, and the player who commits the offense must be ordered out of the water until a goal has been scored. The player to whom a penalty throw is awarded shall proceed to any point on the four yard line and await the signal of the Referee by whistle.

In the case of a penalty throw, it shall not be necessary for the ball to be handled by any other player before a goal can be scored, but any player within the four yard line may interrupt a penalty throw.

19. *Goalkeeper*.—The goalkeeper may stand to defend his goal, but he must not throw the ball beyond half-distance; the penalty for so doing shall be a free throw to the opposing side from half-distance at either side of the field of play. The goalkeeper must keep within 4 yards of his own goal line or concede a free throw from the 4-yard line to his nearest opponent. The goalkeeper is exempt from Clauses A, C, D and G, in Rule 15, and Clause F, in Rule 16, but he may be treated as any other player when in possession of the ball. Except when injury or illness compels him to leave the water—when Rule 22 shall apply—the goalkeeper can only be changed at half-time. In the event of a goalkeeper being ordered out of the water, his side cannot appoint another goalkeeper except at half-time, as defined above, and any player defending the goal in his place shall not come under the special limitations and exceptions attached to a goalkeeper.

20. *Goal and Corner Throws*.—A player throwing the ball over his own goal line shall concede a free corner throw to his opponents, and such free corner throw shall be taken from the 2-yard line at the side of the bath, by the player on the opposing side nearest the point where the ball leaves the field of play. If attacking side throws the ball over, it shall be a free goal throw to their opponents' goalkeeper, who must pass the ball to another player or beyond the 2-yard line. The whistle must be blown immediately the ball crosses the goal line, and from that time until the ball leaves the hand of the player taking the free throw, all players must remain in their respective positions.

NOTE.—If a goalkeeper puts the ball in play by free throw, and before any other player has handled, regains possession, and allows it to pass fully through his goal, a corner throw shall be awarded to the opposing side.

SPALDING'S ATHLETIC LIBRARY.

21. *Out of Play*.—Should a player send the ball out of the field of play at either side, it shall be thrown in any direction from where it went out by one of the opposing side, and shall be considered a free throw. The player nearest the point where the ball leaves the field of play must take the throw. Should the ball strike or lodge in an overhead obstruction, it shall be considered out of play, and the Referee shall then stop the game and throw the ball into the water under the said obstruction. The ball must be allowed to touch the water before it is handled, and must be handled by more than one player before a goal can be scored.

22. *Leaving the Water*.—A player leaving the water or sitting or standing on the steps or sitting on the side of the bath in which the match is being played, during the progress of the game, except in case of illness or accident or by permission of the Referee, shall not re-enter the water until a goal has been scored, or until half-time. Any player having left the water must have the permission of the Referee before re-entering, and he may only re-enter at his own goal line. A player leaving the water during the progress of the game, without the permission of the Referee, or refusing to re-enter the water at the request of the Referee, shall be deemed guilty of misconduct, and be liable to suspension by the body governing the particular match in which he is competing.

23. *Drawings*.—If there be more than two teams entered for a competition, a drawing shall be held immediately before the contest to determine the order in which the teams shall play, and the method of drawing shall be the same as prescribed in Boxing Rules.

24. *Entries*.—No club shall be allowed to enter more than one team in a championship competition.

BOXING.

SECTION 1. In all boxing competitions the ring shall not be less than 16 feet nor more than 24 feet square, and shall be formed of posts and ropes, the latter extending in triple lines 2, 3 and 4 feet from the floor of the ring. The floor of the ring shall extend beyond the lower rope for a distance of not less than 2 feet. Posts must be properly padded and padding on floor shall be not less than $\frac{1}{2}$ inch in thickness.

SEC. 2. Competitors must box in regulation athletic trunks reaching to the knee, in shoes without spikes, or in socks, and use boxing gloves not less than five ounces in weight.

SEC. 3. Classes to be: 108 lbs. and under; 115 lbs. and under; 125 lbs. and under; 135 lbs. and under; 145 lbs. and under; 158 lbs. and under; 175 lbs. and under; and over 175 lbs.

SEC. 4. An athlete who fails to compete after entering an event shall be required to furnish a satisfactory excuse for such failure or render himself liable to censure or suspension by the local Registration Committee. Any athlete who weighs in and then fails to compete without an excuse satisfactory to the Registration Committee shall be suspended for a period of six months. Competitors shall weigh in within three hours of a contest. Weighing in shall cease in each class when the drawing for bouts in that class commences. Competitors shall sign their names to a weighing list upon weighing in and whenever demanded by the Referee.

SEC. 5. The Boxing Committee of each Association of the Amateur Athletic Union shall prepare an official list of competent boxing officials to serve as Referees, Judges, Weighers, Timers, Announcers, and Clerks of Boxing. All tournaments must be conducted by officials selected from this official list.

SEC. 6. In all competitions the number of rounds to be contested shall be three. The duration of rounds shall be limited to three minutes each. The interval between each round shall be one minute. The Referee may order one additional round as provided in Section 10.

SEC. 7. A competitor failing to immediately respond to the call of "Time" at the beginning of any round shall be disqualified by the Referee and the bout awarded to his opponent.

SEC. 8. Immediately before the contest competitors who have weighed in shall draw numbers to determine the bouts they take part in. The drawing to be as follows: Have the first prelimi-

nary round to reduce the number of competitors, to 2, 4, 8, 16, and so on. (Thus, if there are three competitors, have one preliminary bout to reduce to two; if five, have one bout to reduce to four; if six, have two bouts to reduce to four; if seven, have three bouts to reduce to four; if nine, have one bout to reduce to eight; if ten, have two bouts to reduce to eight; if eleven, have three bouts to reduce to eight, and so on.) Competitors drawing a bye on the first drawing on each day shall receive the lowest numbers on the second drawing. Thus, if there be one bye drawn, such competitor shall receive number 1; if two byes are drawn such competitors shall receive numbers 1 and 2 for the second drawing, and if there be three byes, such competitors shall receive the numbers 1, 2 and 3 in the second drawing. In all drawings where numbers 1, 2, 3, 4, and so on are drawn, number 1 competes with number 2, 3 with 4, and so on. When the class is brought to a multiple of 2, 4, 8 or 16, the contest proceeds regularly to the final bout. Where the competition is not concluded in one day, there shall be a new drawing for each subsequent round of bouts started on a following day. The winner of the final bout receives first prize and the loser receives second prize.

SEC. 9. Each competitor shall be entitled to the assistance of two seconds only, and no advice or coaching shall be given to any competitor by either of his seconds, or by any other person during the progress of any round. For a violation of this section the Referee may disqualify the competitor who is so advised or coached.

SEC. 10. The manner of judging shall be as follows: There shall be two Judges, stationed on opposite sides of the ring and a Referee in the ring. At the end of the bout each Judge shall write the name of the competitor who in his opinion has won and shall hand same to the Announcer. In case the Judges agree the name of the winner is announced, but in case the Judges disagree the announcer shall so inform the Referee, who shall thereupon himself decide. If the Referee is in doubt he can order a further round limited to three minutes. If the Judges then fail to agree the Referee must decide in favor of one of the contestants.

SEC. 11. The Referee shall have power to caution or disqualify a competitor for any infringement of rules, and to end the round in the event of either man being knocked down. The Referee, however, shall not count over a competitor who has been knocked down. If such knockdown in his opinion shall incapacitate the competitor from continuing, the Referee must stop the bout and announce the winner.

SEC. 12. The decision of the Judges or the Referee, as the case may be, shall be final.

SPALDING'S ATHLETIC LIBRARY.

SEC. 13. In all competitions the decision shall be made in favor of the competitor who displays the best style and obtains the greatest number of points. The points shall be: For attack: direct clean hits with the knuckles of either hand, on any part of the front or sides of the head or body above the belt. For defense: guarding, slipping, ducking, counter-hitting or getting away. Where points are otherwise equal, consideration to be given to the man who does the most leading off.

SEC. 14. The Referee may disqualify a competitor who is boxing unfairly, by kicking, gouging, or hitting with the open glove, hitting with the inside or butt of the hand, the wrist or elbow, hitting or catching hold below the waist, hitting when down (one knee and one hand or both knees on the floor), striking an opponent on the back of the neck or on the spine or over the kidneys, holding with one hand and striking, butting with the head or shoulder, hitting in the clinches, wrestling or roughing at the ropes, using offensive and scurrilous language, or not obeying the orders of the Referee.

SEC. 15. Any athlete who competes in a boxing contest of longer duration than provided for in these rules shall be suspended for such period as the Registration Committee shall decide.

SEC. 16.—Nothing shall be used for the protection of the hands and wrists other than soft cotton bandages of not more than three thicknesses and not more than two layers of tape back of the knuckles; hard bandages or substances of any kind being prohibited. Bandages are subject to approval of the Referee.

SEC. 17. In the event of any questions arising not provided for in these rules, the Referee shall have full power to decide such questions and also to interpret the rules.

WRESTLING.

CATCH-AS-CATCH-CAN.

SECTION 1. In all wrestling competitions the ring shall not be less than 16 feet nor more than 24 feet square, and shall be formed of posts and ropes, the latter extending in triple lines, 2, 3 and 4 feet from the floor of the ring. The floor of the ring shall extend beyond the lower rope for a distance of not less than 2 feet. Posts must be properly padded and padding on floor shall be not less than one-half inch in thickness.

SEC. 2. Competitors must wrestle in regulation trunks and may wear light slippers or rubbers without heels.

SEC. 3. Classes to be: 108 lbs. and under; 115 lbs. and under; 125 lbs. and under; 135 lbs. and under; 145 lbs. and under; 158 lbs. and under; 175 lbs. and under; and over 175 lbs.

SEC. 4. An athlete who fails to compete after entering an event shall be required to furnish a satisfactory excuse for such failure or render himself liable to censure or suspension by the local Registration Committee. Any athlete who weighs in and then fails to compete without an excuse satisfactory to the Registration Committee shall be suspended for a period of six months. Competitors shall weigh in within three hours of a contest. Weighing in shall cease in each class when the drawing for bouts in that class commences. Competitors shall sign their names to a weighing list upon weighing in and whenever demanded by the Referee.

SEC. 5. The Wrestling Committee of each Association of the Amateur Athletic Union shall prepare an official list of competent wrestling officials to serve as Referees, Weighers, Timers, Announcers, and Clerks of Wrestling. All tournaments must be conducted by officials selected from this official list.

SEC. 6. A fall shall terminate the bout and in no case shall the duration of a preliminary bout exceed 10 minutes. A fall shall terminate the final bout which in no case shall exceed 15 minutes. If no fall has been obtained by either contestant at the termination of the bout, the Referee must award the bout to the competitor who shows the best qualities, or who has acted mostly upon the aggressive.

SEC. 7. Both shoulders shall be pinned on the floor at the same time to constitute a fall. Any hold, grip, lock or trip allowed except the hammer-lock, strangle, full Nelson and toe holds. Striking, kicking, gouging, hair pulling, butting, strangling, or anything that endangers life or limb will not be allowed.

SEC. 8. Immediately before the contest competitors who have weighed in shall draw numbers to determine the bouts they take part in. The drawing to be as follows: Have the first preliminary round to reduce the number of competitors, to 2, 4, 8, 16, and so on. (Thus, if there are three competitors, have one pre-

liminary bout to reduce to two; if five, have one bout to reduce to four; if six, have two bouts to reduce to four; if seven, have three bouts to reduce to four; if nine, have one bout to reduce to eight; if ten, have two bouts to reduce to eight; if eleven, have three bouts to reduce to eight, and so on.) Competitors drawing a bye on the first drawing on each day shall receive the lowest numbers on the second drawing. Thus, if there be one bye drawn, such competitor shall receive number 1; if two byes are drawn such competitors shall receive numbers 1 and 2 for the second drawing, and if there be three byes, such competitors shall receive the numbers 1, 2 and 3 in the second drawing. In all drawings where numbers 1, 2, 3, 4, and so on are drawn, number 1 competes with number 2, 3 with 4, and so on. When the class is brought to a multiple of 2, 4, 8 or 16, the contest proceeds regularly to the final bout. Where the competition is not concluded in one day, there shall be a new drawing for each subsequent round of bouts started on a following day. The winner of the final bout receives first prize and the loser receives second prize.

SEC. 9. Each competitor shall be entitled to the assistance of two seconds only, and no advice or coaching shall be given to any competitor by either of his seconds, or by any other person during the progress of any bout. For a violation of this section, the Referee may disqualify the competitor who is so advised or coached.

SEC. 10. If a competitor refuses to break any hold when so ordered by the Referee, he may be disqualified by the Referee.

SEC. 11. The Referee shall have full control of the competition and his decision shall be final and without appeal.

SEC. 12. No bandages of any kind shall be used on hands, arms or head.

SEC. 13. Any athlete who competes in a wrestling contest of longer duration than provided for in these rules shall be suspended for such period as the Registration Committee shall decide.

SEC. 14. In the event of any question arising not provided for in these rules, the Referee shall have full power to decide such question and also interpret these rules.

SEC. 15. If one shoulder of either contestant goes off the mat in a wrestling bout, the Referee shall be empowered to order the men to break their holds and go back to the center of the mat, with the man who was on top when the contestants left the mat assuming the upper position again. In the event of the Referee being unable to determine which man had the upper position when they both left the mat, he shall be empowered to order them to assume the standing attitude in the center of the mat.

H A N D B A L L

1. Standard courts shall be four walls of approximately **24** feet by 50 feet in size. The ceilings shall be at least 25 feet at the front wall. The building and use of standard courts is advised, although for the time being championships may be held on courts of other sizes and of less than four walls.
2. Ball shall be Standard Rubber hand ball.
3. Twenty-one points shall constitute a game.
4. First service shall be determined by the toss of a coin or in any other manner agreed by the contestants.
5. If the players cannot agree upon a ball a new ball shall be selected by the referee.
6. In serving, the ball **must** be **bounced** on the floor and struck on the first bounce. Missing the ball puts the server out. The server has the privilege of several attempts at bouncing the ball before serving.
7. The server must stand between the short line and the service line before commencing his service and **must not** step over the service line while serving.
8. Stepping over the service line while serving shall be counted as a short ball. Doing so twice in succession shall be counted a hand out.
9. Three short balls in succession shall count as a hand out.
10. Hitting the ceiling, floor or side walls before the front wall while serving counts as a hand out.
11. Catching or stopping the ball on the service before it hits the floor counts as a hand out.
12. It is optional with a player to accept a short ball; if a short ball be attempted it becomes a fair ball.
13. The server or his partner may stop a short ball after it touches the floor and before it has been touched by the opposing side.
14. While his partner is serving a player should stand between the lines with his back to the wall and while in this

SPALDING'S ATHLETIC LIBRARY.

position it does not count as a hand out if he is struck by a served ball.

15. After the service the ball must be returned to the front wall before hitting the floor. Hitting the floor and front wall at the same time counts as a miss. The front wall must be hit first.

16. If the outside fails to return the ball it counts as a tally for the side serving. If the server fails to return the adversaries' play, it counts as a hand out.

17. If a ball hits an adversary on the way to the front wall and afterwards reaches the front wall before touching the floor, it is in play. All balls striking players on the return are hindres or points.

18. If a ball, before it is dead, touches a player on the way back from the front wall, it loses the point for the player touched and the ball is immediately out of play.

19. Hitting a partner with the ball immediately puts the ball out of play and loses the point for that side except during the service when the partner is standing between the lines with his back to the wall. The man serving the ball in four handed match is the man who is supposed to play inside the lines at all times.

20. Every player is entitled to a free and unobstructed opportunity to play the ball. If he is interfered with unintentionally it is called a hinder and is played over. If a player is prevented by an adversary from seeing the ball until too late to get in position, it is called a covered ball and shall be played over.

21. When, in the opinion of the referee, the ball is covered intentionally or a player is hindered intentionally he should decide that point against the offending player.

22. In doubles, both players on a side are entitled to a fair and unobstructed chance at the ball and either one is entitled to a decision on a hinder or covered ball even though it naturally would be his partner's ball and notwithstanding the fact that his partner may be attempting to play the ball or that he may already have missed it.

The referee should be liberal in rendering decisions under this rule so as to discourage any practice of playing the ball where an adversary cannot see it until too late to get into position and it is no excuse that the ball is "killed dead" or that the adversary "could not get it". He is entitled to a chance to try and in the absence of this chance is entitled to the decision.

23. It is the duty of the side that has played the ball to keep out of the way of the side that is playing and under no circumstances shall a player be forced to run around an adversary in order to reach the ball. Hinders when claimed should generally be allowed unless clearly in the opinion of the referee there was no hinder.

24. It is the duty of the referee to decide all hindres and covered balls without being appealed to by the players as it is often distasteful to a player to make claims especially in close cases, and failure to claim a hinder or covered ball does not relieve the referee from the duty of rendering a decision.

25. A player may not claim a hinder or covered ball when interfered with by his partner.

26. In doubles it is customary to serve to the adversaries alternately but this is not compulsory.

27. Kicking the ball is not allowed.

28. During a play the ball may not be played by a player after it has been touched either by his partner or by himself.

29. In all match games there should be a referee and score keeper who should sit next to the referee.

30. During Tournament or match play, leaving the court without consent of adversary forfeits the series unless excused by the referee.

31. After a completion of a rally both players shall be allowed a reasonable time to get in position, after which the referee may call play. If the server fails to serve the ball after play is called the referee or the other player may count ten as nearly as possible at the rate of one count per second and if the ball is not served before the completion of the count the server shall be declared out.

32. The referee's decision is final.

33. Any player refusing to abide by the decision of referee forfeits the match.

34. Hands or fingers may be covered, but only with soft material or soft gloves of kid or cloth. No hard material shall be used on any part of either hand.

35. Drawings shall be held immediately before the contest and the method of drawing shall be the same as prescribed in Boxing rules.

WHEN AN AMATEUR BECOMES A PROFESSIONAL

The Amateur Athletic Union of the United States, without enlarging or diminishing or in any way modifying the provisions of the Constitution, By-Laws and General Rules, to which for more explicit information reference must always be had, hereby authorizes the following as a

Summary of tests which have been applied in the determination of questions of amateur standing.

An athlete becomes a professional if he

- (1) Enters a competition for money or for prizes of more than \$35 in value. (Const., Art. X, Sec. 1 (a and b), Art. XIII.)
- (2) Sells or pawns his prizes. (Const., Art. X, Sec. 1 (b), Art. XII.)
- (3) Accepts a purse of money. (Const., Art. X, Sec. 1 (b).)
- (4) Enters a competition under a false name. (Const., Art. X, Sec. 1 (a).)
- (5) Enters a competition open to a professional, or knowingly competes with a professional. (Const., Art. X, Sec. 1 (e-1).)
- (6) Teaches, trains, or coaches in an athletic sport for money or any valuable consideration. (Const., Art. X, Sec. 1 (e).)

WHEN AN AMATEUR BECOMES DISQUALIFIED.

An athlete is disqualified from competing as an amateur who has committed any of the following acts:

- (1) Entering or competing against other than registered amateurs in good standing. (Const., Art. X, Sec. 1 (e), General Rule 4 (Secs. 1, 3, 4).)
- (2) Competing from an organization.
 - (a) In whose employ he is. (General Rule 4, Sec. 6.)
 - (b) In which he is not a member in good standing. (General Rule 4, Sec. 8.)
 - (c) When he has competed from another existing organization within a year, except such other organization shall have ceased to exist or the athlete taken a bona fide residence in another district of this Union. (Const., Art. XI, Sec. 3.)
- (3) Acting in a discourteous or unfair manner. (Const., Art. XIII, Sec. 19.)
- (4) Competing when knowingly under suspension. (General Rule 4.)
- (5) Competing in games not duly authorized. (General Rule 4.)
- (6) Entering open games when unregistered. (Const., Art. XIII.)
- (7) Refusing to testify. (Const., Art. XIII, Sec. 18.)
- (8) Allows his name to be used to advertise or promote the sale of, or to act as personal solicitor for the sale, or as the actual salesman of sporting goods, prizes, trophies. (Art. X, Sec. 1 (d).)
- Capitalizes his athletic fame. (Art. X, Sec. 1 (d).)

For the purpose of defining the position of the Amateur Athletic Union in regard to certain matters which have been the subject of

some discussion, the following construction of our Constitution By-Laws and Rules is authorized and promulgated:

(1) In sports over which the Amateur Athletic Union has not assumed jurisdiction or made alliances with governing bodies, the following are recognized as governing bodies:

- National Association of Amateur Oarsmen.
- United States Golf Association.
- United States National Lawn Tennis Association.
- National Archery Association.
- National Roque Association.

The Amateur Athletic Union recognizes the right of collegiate associations and scholastic associations to govern themselves and to compete among themselves without registration or sanction of the Amateur Athletic Union; but teams other than track teams duly authorized to represent an educational institution may only compete with teams of outside organizations when such latter teams are duly registered.

Unless the team representing the educational institution is properly authorized to represent its institution, both teams must be registered.

At all meetings held under the management of educational institutions all athletes competing who are not members of educational institutions must be registered.

An athlete cannot compete as an amateur who has coached or instructed for money or received excessive expenses, or played with or against professionals in base ball or foot ball, except that this shall not apply to the individual of a team composed entirely of amateurs which has played against a professional team. A single professional player on a team makes the team professional.

Spalding "Official Olympic" Javelin

Made in exact accordance with I. A. A. F., A. A. U., and Intercollegiate A. A. A. A.
specifications.

No. 153. Spalding "Official Olympic" Javelin. Each, \$9.00

SPECIAL NOTE—Specifications in the Official Rules covering Javelin throwing are such that in complying with them the Javelin is necessarily quite frail; hence, if it is not thrown with the proper degree of skill it is easily broken and this through no fault of material or workmanship. We are unable, therefore, to guarantee Javelins against breakage while in use. We guarantee only against defective material or workmanship, and in 95 cases out of 100 where a Javelin shaft is broken we have found it was the result of faulty manipulation or awkwardness on the part of the performer.

Spalding "Official Olympic" Athletic Implements

A. G. SPALDING & BROS. have been authorized officially to use this stamp on Spalding athletic implements made in accordance with International Amateur Athletic Federation specifications. Implements to be recognized as official, for use in any future Olympic Games, must bear the official I. A. A. F. stamp as shown. Spalding implements are not only officially recognized by the governing athletic bodies of the whole world, but the adoption of "actual use" by every athlete of prominence in either club, college or school competition, is accorded them because of superiority of construction over the implements made by any other concern.

The complete equipment for the Olympic Games stadium at Antwerp, 1920, was furnished by A. G. Spalding & Bros.' London house, through their local representatives in Belgium, Charles Bunyan & Sons of Brussels.
